Vocational Learning Outcomes (VLO's) addressed in this course:	3043 - PROF. NRS. PRACTICE
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 1 Provide support in a way that meets the needs and expectations of persons, families and populations at the end of life.
	VLO 2 Uphold the principles of accountability, diversity, equity and dignity in the care of Canadian seniors and their families through the examination of the role of the registered nurse.
	VLO 4 Promote person- and family-centered care and strengthen interprofessional collaborative practice to meet the therapeutic needs of those affected by chronic illness, multiple comorbidities and/or life-limiting illness in clinical, and real-life environments.
	VLO 8 Examine and implement professional self-care strategies to optimize resilience in the provision of safe and quality nursing care.
	VLO 9 Apply leadership strategies at the levels of the professional, organization and health-care system to support positive relationships and decision making in the Canadian healthcare setting.
Essential Employability Skills (EES) addressed in this course:	EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience.
	EES 4 Apply a systematic approach to solve problems.
	EES 5 Use a variety of thinking skills to anticipate and solve problems.
	EES 6 Locate, select, organize, and document information using appropriate technology and information systems.
	EES 7 Analyze, evaluate, and apply relevant information from a variety of sources.
	EES 10 Manage the use of time and other resources to complete projects.

Course Evaluation:

Passing Grade: 50%, D

A minimum program GPA of 2.0 or higher where program specific standards exist is required for graduation.
