COURSE OUTLINE: NSW214 - INDIGEN HEAL METHODS

Prepared: Corinne Onovo

Approved: Karen Hudson, Chair, Community Services and Interdisciplinary Studies

Course Code: Title	NSW214: INC INDIGENOUS HEALING METHOD INTO PRACT					
Program Number: Name	1221: SSW INDIGENOUS SPECA					
Department:	SOCIAL SERV. WKR NATIVE					
Academic Year:	2023-2024					
Course Description:	Through an experiential learning approach, students will explore how to incorporate Indigenous healing methods in social service work practice. Throughout the semester, students will be exposed to different traditional healing methods within Indigenous cultures including the use of medicines, ceremonies, sharing circles, and traditional healers to achieve spiritual, mental, physical and emotional balance. This course involves hands on experience with medicines and instruction on how to use traditional teachings with clients.					
Total Credits:	4					
Hours/Week:	4					
Total Hours:	56					
Prerequisites:	NSW101					
Corequisites:	There are no co-requisites for this course.					
This course is a pre-requisite for:	NSW221					
Vocational Learning	1221 - SSW INDIGENOUS SPECA					
Outcomes (VLO's) addressed in this course:	VLO 1 Develop respectful and collaborative professional and interpersonal relationships that adhere to professional, legal, and ethical standards aligned to social service work.					
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 2 Record information accurately and communicate effectively in written, digital, verbal and non-verbal ways, in adherence to privacy and freedom of information legislation, in accordance with professional and workplace standards.					
	VLO 3 Integrate a practice framework within a service delivery continuum, addressing the needs of individuals, families and communities at micro, mezzo, macro and global levels, and work with them in achieving their goals.					
	VLO 4 Plan and implement accessible and responsive programs and services, recognizing the diverse needs and experiences of individuals, groups, families and communities, and meeting these needs.					
	VLO 5 Examine current social policy, relevant legislation, and political, social, historical, and/or economic systems and their impacts for individuals and communities when delivering services to the user/client.					
	VLO 6 Develop strategies and approaches that support individual clients, groups, families and communities in building the capacity for self-advocacy, while affirming their dignity and self-worth.					

VLO 8 Develop strategies and approaches to implement and maintain holistic self-care as a member of a human service profession. VLO 9 Work with individuals, groups, families and their communities to ensure that service provider strategies promote social and economic justice, and challenge patterns of oppression, discrimination and harassment, and sexual violence with clients, coworkers and communities. VLO 10 Develop the capacity to work with the Indigenous individual, families, groups and communities while respecting their inherent rights to self-determine, and to identify and address systemic barriers that produce ill-effects, developing appropriate responses using approaches such as trauma informed care practice. VLO 11 Integrate culturally appropriate strategies and indigenous methods of healing practices to help empower individuals and communities to solution build within an aboriginal worldview and context. EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience.
