

COURSE OUTLINE: PSW153 - PSW PRACTICUM II

Prepared: Viki Nolan

Approved: Bob Chapman, Dean, Health

Course Code: Title	PSW153: PSW PRACTICUM II
Program Number: Name	3027: PERSONAL SUPPORT WKR 3070: PER/DEV SUPPORT SERV
Department:	PERSONAL SUPPORT WORKER
Academic Year:	2023-2024
Course Description:	This course is a continuation of PSW Practicum I (PSW 143) in which the learner will continue to apply concepts and knowledge acquired in the classroom / lab environment to provide safe, holistic care to clients in a practice setting. The learner will practice clinical skills in a simulated laboratory setting including assisting with medications, specimen collection, oxygen therapy, wound care, parenteral nutrition, and vital signs measurement. These experiences will provide the learner with the opportunity to consolidate skills and knowledge at a level of a graduating PSW.
Total Credits:	12
Hours/Week:	3
Total Hours:	246
Prerequisites:	PSW140, PSW143
Corequisites:	There are no co-requisites for this course.
Vocational Learning Outcomes (VLO's) addressed in this course: Please refer to program web page for a complete listing of program outcomes where applicable.	3027 - PERSONAL SUPPORT WKR VLO 1 Work within the personal support worker role in various care settings in accordance with all applicable legislation, standards, employer job descriptions, policies, procedures and guidelines. VLO 2 Practice professionally, and be accountable for one's own actions by applying problem-solving, self-awareness, time management and critical thinking to the provision of care as a personal support worker, whether working independently or as a member of a team. VLO 3 Practice as an engaged member of the interprofessional team to maintain collaborative working relationships for the provision of supportive, safe, responsive and competent client-centred care within care settings. VLO 4 Provide person-centred care, based on ethical principles, sensitive to diverse personal and family values, beliefs, cultural practices and other needs, which follows the plan of care. VLO 5 Establish and maintain therapeutic relationships with clients and their families using effective communication skills to build a genuine, trusting, and respectful partnership, in accordance with professional boundaries, employer policies, confidentiality, and privacy legislation. VLO 6 Identify relevant client information within the roles and responsibilities of the personal support worker using observation, critical thinking, and effective communication skills to report and document findings.

SAULT COLLEGE | 443 NORTHERN AVENUE | SAULT STE. MARIE, ON P6B 4J3, CANADA | 705-759-2554
