Chairperson Date

INSTRUMENT PROCEDURES & FLIGHT OPERATIONS
Course Name

AVT 235-2
Course Number

PHILOSOPHY/GOALS:

Upon successful completion of this course the student will have successfully completed the Transport Canada Instrument Rating examination and have adequate theory for the Transport Canada Instrument Flight Test. In addition he will be introduced to techniques and equipment beyond the Transport Canada requirements in order to better prepare him for employment in a variety of aviation positions.

METHOD OF ASSESSMENT (GRADING METHOD):

The student will be assessed by written mid-term and final examinations and a Transport Canada written Instrument Rating examination. All tests will carry equal weight.

Grades will be indicated as follows:

- A - 90-100%
- B - 80- 89%
- C - 70- 79%
- X - below 70% at mid-term
- R - below 70% at final grading

TEXTBOOK(S):

Instrument Procedures Manual - Transport Canada

Aeronautical Information Publication - Transport Canada

Canada Air Pilot East - Transport Canada

Enroute Low Altitude Charts - Government of Ontario
