**I. COURSE DESCRIPTION:**

Course Hours: 22

Work Placement is every Thursday of each week (November 11, 2004 – April 15, 2005; excluding Christmas Break and Mid-winter study break (in February))

Career Experience work placements are provided by local employers and organizations. Through the work placements, students are able to put classroom theory into practice and learn first hand about the scope and variety of occupations available.

Students are assigned their Career Experience placements by the program faculty. The assignments are based upon a review of student resumes, placement preferences, employer constraints and the available placement opportunities.

**II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:**

Upon successful completion of this course, the student will demonstrate the ability to:

1. Apply, in a work setting, the skills and knowledge acquired during the course of study at Sault College.
2. Problem solve and take initiative when presented with new situations.
3. Work independently with a minimum of supervision.
4. Demonstrate appropriate business conduct; i.e. regular attendance, punctuality, good grooming and ability to work with others.

**III. COURSE REQUIREMENTS/TOPICS:**

***(Students MUST be enrolled in the Kitchen Assistant Program)***

1. **Attendance:**  
Mandatory attendance while participating in Work Placement (Career Experience) is essential. Any absence may require a medical certificate and missed days scheduled. The student must contact

both the employer and the Hospitality faculty member to report an absence prior to the start of the work day.

2. **Placement Confirmation:**

Students will acknowledge their placement assignment with a resume and letter of introduction to the employer. A copy of the letter of introduction is to be filed with the Hospitality faculty. At least one week prior to the start of the Work Placement (Career Experience) program, each student will confirm the placement by a telephone call or personal visit.

3. **Letter of Thanks:**

Students are to forward a card or letter of thanks to their "employer" at the end of the Work Placement. A copy of the letter of thanks should also be filed with the Hospitality faculty.

4. **Evaluation Methods:**

Evaluations are conducted by employers who are required to complete one evaluation of each student "employee". The Placement Office provides a standard evaluation form and employers are required to discuss the evaluation prior to signature. The evaluation allows both the student and the College to measure the success of the work placement.

5. **Student Progress:**

The Hospitality faculty are concerned and interested in student progress during work placement. Students should contact the faculty members if they have any concerns, or if any serious matter affecting their work or welfare should arise.
