Course Evaluation:

Satisfactory/Unsatisfactory

Other Course Evaluation & Assessment Requirements:

EVALUATION PROCESS/GRADING SYSTEM:

All academic credits are awarded by the Career Experience faculty contact following a meeting with the employer. Placement credits are earned and awarded based upon the satisfactory and timely completion of the course outcomes and additional requirements. Failure to complete any of these outcomes or course requirements may result in an immediate withdrawal from the Career Experience course and an Unsatisfactory (U) grade. Successful completion of all components of the Career Experience course will result in a Satisfactory (S) grade.

Placement employers will complete two evaluations for each student. A standard evaluation form will be used, and employers are required to discuss the evaluations prior to signature. The evaluations allow both the student and the College to measure the success of the work placement.

ATTENDANCE AT ALL CAREER EXPERIENCE CLASSES

Mandatory placement seminar classes are held once a week for the first seven weeks. Throughout the course, college and placement employer expectations will be reviewed, lateness and absenteeism will not be tolerated. Students who arrive late on more than one occurrence or who miss more than one mandatory seminar classes will receive an Unsatisfactory grade and will be ineligible to complete the four-week placement.

During the four-week placement, students will be released from their placements at 2:30 p.m. on Tuesday of the third week and Thursday of the fourth week of placement in order to meet with the Career Experience faculty contact and the other Career Experience students. Attendance at these two meetings is mandatory (exceptions may occur for students completing placements outside of the Algoma District).

ATTENDANCE DURING THE FOUR-WEEK CAREER EXPERIENCE PLACEMENT

Office Administration students are required to complete 20 full placement days (approximately 140-160 placement hours), and every student is required to abide by and work in accordance with the recognized working hours of the placement office. Mandatory attendance while participating in the Career Experience is essential. (Note, when a statutory holiday, i.e. Civic Holiday, falls within the four-week placement, students would only be required to complete 19 full placement days.)

In the event that the office does not keep traditional hours (9 a.m.-5 p.m. or 8:30 a.m.-4:30 p.m.), then the student will be required to work the appropriate number of hours beyond the normal 20 placement days to ensure that at least 140 hours have been spent in the workplace. This could result in the student working beyond the traditional 20-day/four-week period.

The student must contact both the placement supervisor and Career Experience faculty contact to report an absence prior to the start of the workday. Any absence may require a medical certificate and missed days must be rescheduled. Lateness and absences will not be tolerated and will result in an immediate dismissal from placement and an Unsatisfactory grade.

Students should attempt to arrive at work 5-10 minutes before the actual starting time.

Functional Resume/Letter of Introduction

Students will acknowledge their placement assignment with a faculty-approved functional resume and letter of introduction to the employer. The original letter and resume must be submitted to the Career Experience faculty contact by the date outlined in the Career Experience booklet.
