STUDENT EVALUATION:

Students must check work against the teacher's key, marking all errors. This work is to be submitted to the instructor who will record it as being completed.

Throughout the semester, six tapes will be assigned a mark. These tapes will be selected randomly from tapes transcribed throughout the semester. All work will be done in class time. The term mark will be based on the BEST FIVE of the marked tapes.

If a student is not able to transcribe a tape because of illness, or a legitimate emergency, that student must contact the instructor prior to the class and provide an explanation which is acceptable to the instructor (medical certificates or other appropriate proof may be required). In cases where the student has contacted the instructor, and where the reason is not classified as an emergency i.e. slept in, forgot, etc., the student may make the tape up at the end of the course at the instructor's discretion. In cases where the student has not contacted the instructor, the student will receive a mark of "0" on that tape.

90 - 100%	=	A+
80 - 89%	=	A
70 - 79%	=	B
60 - 69%	=	C
Under 60	=	R

Any non-returnable tests which have been returned to the student for review only, must be returned at the end of the class or the student will be penalized 5 marks on the test grade received.

Each student will be required to keep a file in a designated classroom. This will facilitate the return of assignments, grades, and any messages the Office Administration faculty need to relay to the student.
