As this course is a prerequisite course to attending field placement all students are required, as part of the CICE Program, to complete the blue Health Form (included in application package). Which includes a 2 step TB test; this should be done immediately upon acceptance to the program. Students will also have to obtain a Police Background Check and purchase a uniform shirt. These two requirements will be completed in September and must be submitted by the deadline, once notice is given by the Employment Liaison Officer. Failure to do this will result in not being able to attend field placement, along with not being able to enroll in IVT-112. A failing grade in IVT-110 will also be given. Students must be aware that this could impact one's status from full time to part time, and in some cases may impact OSAP or Funding.

If a faculty member determines that a student is at risk of not being successful in their academic pursuits and has exhausted all strategies available to faculty, student contact information may be confidentially provided to Student Services in an effort to offer even more assistance with options for success. Any student wishing to restrict the sharing of such information should make their wishes known to the coordinator or faculty member.
