I. COURSE DESCRIPTION:

Recreation planning will be examined on two levels; the planning of adventure recreational uses on public lands and private resorts, with the emphasis being the planning and organizing of adventure based recreational events.

While examining several case studies (Crown land Planning processes in the Algoma District, Sault Ste Marie Conservation Authority trail issues, and/or other local current recreation planning cases, local ski resort recreation planning, students will develop methods to integrate land uses, anticipate and reconcile use conflicts, examine funding and staffing constraints, develop impact monitoring techniques, and understand management planning practices.

The adventure recreational event planning content will be taught using various real life events, involving the planning, organization and running of current outdoor recreational events. Topics include setting goals and objectives, organizational structure, community participation and volunteerism, logistics, media relations, finances, promotion, evaluation and risk management.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

Upon successful completion of this course, the CICE student will, with the assistance of a Learning Specialist, demonstrate the ability to:

1. **Implement and evaluate event management planning procedures for an adventure based recreational event.**

Potential Elements of the Performance:

- Report on their personal involvement in an event.
- Recommend enhancements to the planning process based upon their volunteer experience
- Identify key steps in the event planning process
- Have a basic understanding of trends in volunteerism, fundraising, marketing, etc.
- Attend planning meetings and report on meeting techniques
- Understand the role of advisory boards and steering committees
- Use event-planning tools (guidebooks, checklists, etc.)
- Use fundraising software

This learning outcome will constitute approximately 85% of the course.

2. **Describe elements of recreation planning, which relate to the operation of private and /or municipal recreation facilities.**

Potential Elements of the Performance:

- List some of the key elements of resort/facility management including scheduling, staffing, infrastructure, reporting, training, licensing, regulations, risk management.
- List various marketing devices, media and venues, etc.
- Be aware of support services (research data, small business consulting, marketing, etc.) from government agencies, travel and trade associations.
- Be aware of specific issues related to the use of crown land by private companies offering recreation experiences (land use permits, fees, the remote tourism industry)
- Participate in field trips to local recreational facilities

This learning outcome will constitute approximately 10% of the course

3. **Analyze and discuss the many management challenges related to adventure recreation planning on conservation lands.**

Potential Elements of the Performance:

- Complete a case study summarizing recreation planning and an issues analysis for a municipal park or conservation area.
- List some costs/benefits (financial and ecological) of recreational activities on conservation lands
- Recognize trends in recreation (i.e. mountain biking) and the implications for conservation land managers
- Examine ways to integrate multiple and sometimes conflicting uses
- Be aware of the role of stakeholder committees

This learning outcome will constitute approximately 5% of the course.

 20 % Case studies and assignments
20 % Participation and teamwork
 100%

The following semester grades will be assigned to students in postsecondary courses:

<u>Grade</u>	<u>Definition</u>	<u>Grade Point Equivalent</u>
A+	90 - 100%	4.00
A	80 - 89%	4.00
B	70 - 79%	3.00
C	60 - 69%	2.00
D	50-59%	0.00
CR (Credit)	Credit for diploma requirements has been awarded.	
S	Satisfactory achievement in field placement or non-graded subject areas.	
U	Unsatisfactory achievement in field placement or non-graded subject areas.	
X	A temporary grade. This is used in limited situations with extenuating circumstances giving a student additional time to complete the requirements for a course (see <i>Policies & Procedures Manual – Deferred Grades and Make-up</i>).	
NR	Grade not reported to Registrar's office. This is used to facilitate transcript preparation when, for extenuating circumstances, it has been impossible for the faculty member to report grades.	

VI. SPECIAL NOTES:

Course Outline Amendments:

The professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Retention of Course Outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other postsecondary institutions.

Prior Learning Assessment:

Students who wish to apply for advance credit transfer (advanced standing) should obtain an Application for Advance Credit from the program coordinator (or the course coordinator regarding a general education transfer request) or academic assistant. Students will be required to provide an unofficial transcript and course outline related to the course in question. Please refer to the Student Academic Calendar of Events for the deadline date by which application must be made for advance standing.

Credit for prior learning will also be given upon successful completion of a challenge exam or portfolio.

Substitute course information is available in the Registrar's office.

Disability Services:

If you are a student with a disability (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your professor and/or the Disability Services office. Visit Room E1101 or call Extension 2703 so that support services can be arranged for you.

Communication:

The College considers **WebCT/LMS** as the primary channel of communication for each course. Regularly checking this software platform is critical as it will keep you directly connected with faculty and current course information. Success in this course may be directly related to your willingness to take advantage of the **Learning Management System** communication tool.

Communication with Instructor

All communication with instructor may be done by using email or in person.

Office J1202

Emails must contain a subject heading and reference the course code or they will be deleted without response.

Plagiarism:

Students should refer to the definition of “academic dishonesty” in *Student Code of Conduct*. A professor/instructor may assign a sanction as defined below, or make recommendations to the Academic Chair for disposition of the matter. The professor/instructor may (i) issue a verbal reprimand, (ii) make an assignment of a lower grade with explanation, (iii) require additional academic assignments and issue a lower grade upon completion to the maximum grade “C”, (iv) make an automatic assignment of a failing grade, (v) recommend to the Chair dismissal from the course with the assignment of a failing grade. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Student Portal:

The Sault College portal allows you to view all your student information in one place. **mysaultcollege** gives you personalized access to online resources seven days a week from your home or school computer. Single log-in access allows you to see your personal and financial information, timetable, grades, records of achievement, unofficial transcript, and outstanding obligations. Announcements, news, the academic calendar of events, class cancellations, your learning management system (LMS), and much more are also accessible through the student portal. Go to <https://my.saultcollege.ca>.

Electronic Devices in the Classroom:

Students who wish to use electronic devices in the classroom will seek permission of the faculty member before proceeding to record instruction. With the exception of issues related to accommodations of disability, the decision to approve or refuse the request is the responsibility of the faculty member. Recorded classroom instruction will be used only for personal use and will not be used for any other purpose. Recorded classroom instruction will be destroyed at the end of the course. To ensure this, the student is required to return all copies of recorded material to the faculty member by the last day of class in the semester. Where the use of an electronic device has been approved, the student agrees that materials recorded are for his/her use only, are not for distribution, and are the sole property of the College.

Attendance:

Sault College is committed to student success. There is a direct correlation between academic performance and class attendance; therefore, for the benefit of all its constituents, all students are encouraged to attend all of their scheduled learning and evaluation sessions. This implies arriving on time and remaining for the duration of the scheduled session. *It is the departmental policy that once the classroom door has been enclosed, the learning process has begun. Late arrivers will not be granted admission to the room.*

Tuition Default:

Students who have defaulted on the payment of tuition (tuition has not been paid in full, payments were not deferred or payment plan not honoured) as of the first week of *March* will be removed from placement and clinical activities. This may result in loss of mandatory hours or incomplete course work. Sault College will not be responsible for incomplete hours or outcomes that are not achieved or any other academic requirement not met as of the result of tuition default. Students are encouraged to communicate with Financial Services with regard to the status of their tuition prior to this deadline to ensure that their financial status does not interfere with academic progress.

COURSE POLICIES:Health and Safety:

Students must wear appropriate safety gear during field operations (eye, hearing, head, foot protection) and dress appropriate to the weather.

Attendance:

Since this course is run in a meeting based format, attendance at all meetings & field trips is mandatory. There is a great deal of effort in planning, scheduling, budgeting, etc. involved in all aspects of the course. Students missing more than one class meeting will receive a 10% grade loss per each class missed unless they make up for their absence. (Exceptional circumstances only).

Assignments:

All assignments must be submitted on time, or be **penalized 10% of the mark per day including weekends**. Check each assignment for the due date and time. Anything handed in past this time is late. Assignments must be word-processed, double-spaced and follow other formatting specifications outlined by the instructor. Students are responsible for ensuring that their assignments are received by the instructor.

Updates and Inclement Weather

Students are expected to check LMS for updates and changes to classes and field trips prior to any outing.

VII. PRIOR LEARNING ASSESSMENT:

Students who wish to apply for advance credit transfer (advanced standing) should obtain an Application for Advance Credit Form from the program coordinator (for course-specific courses), or the course coordinator (for general education courses), or the program's academic assistant. Students will be required to provide an unofficial transcript and course outline related to the course in question.

Credit for prior learning will also be given upon successful completion of a challenge exam or portfolio.

CICE Modifications:**Preparation and Participation**

1. A Learning Specialist will attend class with the student(s) to assist with inclusion in the class and to take notes.
2. Students will receive support in and outside of the classroom (i.e. tutoring, assistance with homework and assignments, preparation for exams, tests and quizzes.)
3. Study notes will be geared to test content and style which will match with modified learning outcomes.
4. Although the Learning Specialist may not attend all classes with the student(s), support will always be available. When the Learning Specialist does attend classes he/she will remain as inconspicuous as possible.

A. Tests may be modified in the following ways:

1. Tests, which require essay answers, may be modified to short answers.
2. Short answer questions may be changed to multiple choice or the question may be simplified so the answer will reflect a basic understanding.
3. Tests, which use fill in the blank format, may be modified to include a few choices for each question, or a list of choices for all questions. This will allow the student to match or use visual clues.
4. Tests in the T/F or multiple choice format may be modified by rewording or clarifying statements into layman's or simplified terms. Multiple choice questions may have a reduced number of choices.

B. Tests will be written in CICE office with assistance from a Learning Specialist.***The Learning Specialist may:***

1. Read the test question to the student.
2. Paraphrase the test question without revealing any key words or definitions.
3. Transcribe the student's verbal answer.
4. Test length may be reduced and time allowed to complete test may be increased.

C. Assignments may be modified in the following ways:

1. Assignments may be modified by reducing the amount of information required while maintaining general concepts.
2. Some assignments may be eliminated depending on the number of assignments required in the particular course.

The Learning Specialist may:

1. Use a question/answer format instead of essay/research format
2. Propose a reduction in the number of references required for an assignment
3. Assist with groups to ensure that student comprehends his/her role within the group
4. Require an extension on due dates due to the fact that some students may require additional time to process information
5. Formally summarize articles and assigned readings to isolate main points for the student
6. Use questioning techniques and paraphrasing to assist in student comprehension of an assignment

D. Evaluation:

Is reflective of modified learning outcomes.
