APPROVED:

7 M/J cA

Chairperson

Date: September 1984

COURSE DESCRIPTION

This course will study the effects of how and why employees behave in organizations. The course will focus on the various aspects of group process, group content, team building, conflict resolution and increased self-awareness of the worker's role in an organization.

PURPOSE

- 1) Provide learning at both the theoretical and experiential levels,
- 2) Enable the student to understand group process.
- 3) Develop the student's ability to work in groups as facilitator.
- 4) Develop the student's effectiveness in interpersonal communication.
- 5) Enable the student to achieve greater self-awareness.

BEHAVIOUR OBJECTIVES

After completing the course, each student will be able to:

- 1) Observe class group and recount process observations.
- 2) Demonstrate effective use of communication skills
- 3) Identify, label and use group skills appropriately.
- 4) Describe and give examples of the differences between process and content.
- 5) Demonstrate the ability to problem-solve and make decisions in the group
- 6) Describe the effect that a variety of behaviours has on the group - e.g. lateness, absence, participation, conflict.
- 7) Demonstrate and evaluate ability to complete a group task.
- 8) Demonstrate self-awareness in relation to self and others verbally and in writing,
- 9) Demonstrate acceptance of responsibility for *own* learning.

METHODS

Traditional lecturing will make up approximately 35% of the course delivery with the remaining 65% utilizing large and small group discussion and group process simulation activities.

TOPIC AREAS

- 1) Terminology related to groups:
 - group process and communication

TCPIC AREAS Cont'd

- group content
 - trust formation and shared meaning
 - structure, norms, roles, goals
- 2) Group Membership:
- self-awareness
 - perception
 - values, attitudes, beliefs
- 3) Factors Affecting Group Cohesion:
- Team Building
 - Non-functional Work Behaviour
 - effective listening, defense mechanisms
- 4) Conflict & Conflict Resolution:
- Authority
 - Discipline
 - Disagreements

- the influence of various leadership styles on group (work) performance and members' (workers') need satisfaction

EVALUATION

The overall final course grade will be a weighted average of each instructor's sections:

$$T. Tanmuk's - 65\% + G. Page's = 35\% = 100\%$$

<u>T. Taimuk's Section (65%):</u>	(1) Attendance and participation	40%
	(2) Group process log	30%
	(3) Paper or Seminar (Group process facilitation)	30%

Note: Students can choose to do a paper (1,500 words) or a group process facilitation seminar- Topic areas are subject to the approval of the instructor and guidelines/criteria will be discussed in class-

EVALUATION ContM

<u>G. Page's Section 35%:</u>	(1) Attendance and participat	40%
	(2) Quizzes	60%

RECOMMENDED READINGS

- 1) *factoK6 Zn Wo nuking with G^oap^*
- 2) *How to Ofa^e^v;e G^oap6*
- 3) *How to AnaZifze and EvaZaatz Gn.oup Gfiowtk*
- 4) *Planntng G^oap VzvoZoprmt*

AUTHOR: Hedley G. Dimock

Note: The evaluation system can be modified at the discretion of the instructors

A final grade of "A", "B", "C" or "R" will be awarded upon completion of all the course requirements, in accordance with the grading policy of the Developmental Services Worker Program.

i.e.	"A" = 85 - 100%
	"B" = 75 - 84%
	"C" = 60 - 74%
	"R" = below
