IV. METHODOLOGY

The seminar is designed to facilitate conversations as a student group, with the SSW faculty. There will be some lecture; however, students will be expected to actively contribute to the learning process in this course. Students will be encouraged to facilitate discussions to enhance their leadership and preparedness for the social services field. The professor may provide supplementary materials.

* The provisions of the "Social Service Worker Program Policies" will apply at all times in this course, especially with regard to confidentiality and reporting format.

V. REQUIREMENTS

1. Preservation of confidentiality as per SSW policy on confidentiality and adherence to the professional code of ethics.
2. Regular attendance and punctuality at Seminar is expected. Eighty percent of class hours per semester is the minimum requirement. Attendance is critical to promote student responsibility and professional commitment for individual and group learning, self and professional development. Reasonable allowance is made for illness and emergencies - the professor reserves the right to ask for verification of absence in any case. Excessive illness will need medical attention and should be discussed with the instructor. Students who have an attendance rate that is less than 80% of class hours, the consequences will be one or more of the following:
 1. Reduction of a full grade
 2. Possible suspension or withdrawal from the course and field,
 3. Development of an academic contract to address the attendance issues
 4. Failure of seminar and field placement.
4. Expected Classroom Etiquette: Classroom behaviour parallels that which is expected in the professional setting. Classes will start on time, and your prompt arrival contributes to both starting and ending on time. Cell phones disrupt our learning; so do not bring to class. Beverages are fine to bring to class, but please do not eat in class unless it is for a medical reason.

Most importantly, when anyone in the class has the floor for speaking, it is the obligation of the rest of the class to LISTEN. This is the critical skill that we learn and use in our profession, and we must model and use it in our own learning environment! We will discuss as a class how we expect this behaviour to be addressed if it is occurring.
5. Punctual completion of various assignments and readings is required. Late submission of assignments is strongly discouraged, and acceptance of late assignments is at the discretion of the professor. Grades for late assignments will be reduced by 10% of the total worth of the assignment per day (including weekends) unless there are substantial and substantiated reasons (as determined by the professor) for late submission.
Assignments will not be accepted after five days following the due date.
6. Assignments completed with significant (more than 5-10) writing errors or non-compliance with APA standards will not be graded. Students may be provided one week to re-submit in accordance with the SSW program/professional writing requirements when the professor deems appropriate.
7. Where special needs students require accommodations/extensions regarding assignments, course expectations or testing, it is understood that the student will proactively discuss, communicate and negotiate with the professor. Student is encouraged to use utilize the special needs office to assist in this process when needed.

VI. EVALUATION PROCESS/GRADING SYSTEM:

Students will be required to provide an unofficial transcript and course outline related to the course in question. Please refer to the Student Academic Calendar of Events for the deadline date by which application must be made for advance standing.

Disability Services:

Visit Room E1101 or call Extension 2703 so that support services can be arranged for you.

Communication:

The College considers **WebCT/LMS** as the primary channel of communication for each course. Regularly checking this software platform is critical as it will keep you directly connected with faculty and current course information. Success in this course may be directly related to your willingness to take advantage of the **Learning Management System** communication tool.

Plagiarism:

Students should refer to the definition of “academic dishonesty” in *Student Code of Conduct*. A professor/instructor may assign a sanction as defined below, or make recommendations to the Academic Chair for disposition of the matter. The professor/instructor may:

- (i) issue a verbal reprimand,
- (ii) make an assignment of a lower grade with explanation,
- (iii) require additional academic assignments and issue a lower grade upon completion to the maximum grade “C”,
- (iv) make an automatic assignment of a failing grade,
- (v) recommend to the Chair dismissal from the course with the assignment of a failing grade.

In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Student Portal:

The Sault College portal allows you to view all your student information in one place. **mysaultcollege** gives you personalized access to online resources seven days a week from your home or school computer. Single log-in access allows you to see your personal and financial information, timetable, grades, records of achievement, unofficial transcript, and outstanding obligations. Announcements, news, the academic calendar of events, class cancellations, your learning management system (LMS), and much more are also accessible through the student portal. Go to <https://my.saultcollege.ca>.

Electronic Devices in the Classroom:

Students who wish to use electronic devices in the classroom will seek permission of the faculty member before proceeding to record instruction. With the exception of issues related to accommodations of disability, the decision to approve or refuse the request is the responsibility of the faculty member. Recorded classroom instruction will be used only for personal use and will not be used for any other purpose. Recorded classroom instruction will be destroyed at the end of the course. To ensure this, the student is required to return all copies of recorded material to the faculty member by the last day of class in the semester. Where the use of an electronic device has been approved, the student agrees that materials recorded are for his/her use only, are not for distribution, and are the sole property of the College.

Attendance:

Sault College is committed to student success. There is a direct correlation between academic performance and class attendance; therefore, for the benefit of all its constituents, all students are encouraged to attend all of their scheduled learning and evaluation sessions. This implies arriving on time and remaining for the duration of the scheduled session.

It is the departmental policy that once the classroom door has been enclosed, the learning process has begun. Late arrivers will not be granted admission to the room.

Tuition Default:

Students who have defaulted on the payment of tuition (tuition has not been paid in full, payments were not deferred or payment plan not honoured) as of the first week of *November for fall courses, March for winter courses, or June for summer courses* will be removed from placement and clinical activities. This may result in loss of mandatory hours or incomplete course work. Sault College will not be responsible for incomplete hours or outcomes that are not achieved or any other academic requirement not met as of the result of tuition default.
