**ATTENDANCE:**

Failure to attend a theory class, lab or staff meeting will result in the student receiving an "I" grade and forfeit their right to Gallery work until she/he demonstrates knowledge of activities to the satisfaction of the Gallery instructor.

Three "I" grades in a semester will result in an "R"

**EVALUATION:**

- 1) Personal appearance, practical skills in serving and sales ability in the Gallery operation are monitored.
- 2) Periodic assignments and two tests in Theory will be given.
- 3) All assignments must be handed in on due dates in order to be corrected and marks assigned.
  - a) Personal Appearance, Gallery Performance and Sales as indicated by evaluation form and sales objectives as set by instructors - 40%
  - b) Term Practical and Theoretical Tests - 40%
  - c) Submission of 2 sections (Sanitation and Safety, and Mixology) of Standard Manual as outlined on requested dates - 20%

**PASS - 60%**

4. Failure to attend a scheduled lab or theory class will result in an "I" mark. Three labs or theories missed in a semester automatically results in an "R" and the student will be relieved of his/her Gallery responsibilities.

A daily evaluation sheet on appearance, attitude, and skill is done for Gallery work. Refer to evaluation forms in Student Manual. You may obtain your lab mark the following day of the function. A daily record of sales per person is also maintained. Non-attendance naturally forfeits any possible marks.

**There will be no extension of due date for Standard Manual.** Only in the event of sickness or other major circumstances will extension be considered.
