### FOOD & BEVERAGE SERVICE 11

FDS 117-3

TEXT: "The Professional Host"; Foodservice Editors; CBI - McMillan of Canada.

REFERENCE

TEXT: "Essentials of Hospitality Administration"; by Lane, Harold F. and Vanhartesvelt, Mark

"Showmanship in the Dining Room"; by B. Ader; Bobbs-Merril "Student Manual"

#### TOPICS TO BE COVERED:

MODULE 1: This module deals with Beverage Service.

Objectives: After completion of this module, the student will be able to:

- differentiate between: infused, fermented, and distilled beverages
- know the difference between: table or still, sparkling, fortified and aromatic wines
- know how to properly store wine
- identify, suggest and serve different kinds of wine in a professional manner
- identify, suggest and serve distilled spirits
- identify and serve beer
- perform coffee and tea service

MODULE 2: This module will discuss theory and practice and merchandising in a dining room.

Objectives: Upon completion of this module, the student will be able to:

- identify the equipment necessary for table side cooking
- identify items suited for table side preparation
- prepare various items at table side (the number of items will increase over the semester)
- understand and use proper terms
- identify the need and purpose of special services such as salad, dessert and liqueur trollies as it relates to sales possibilities
- identify various ways of in-house merchandising as it relates to promotions

MODULE 3: This module discusses the guest cheque and the handling of payment

Objectives: Upon completion of this module, the student will be able to:

- 3 -

- identify various ways of processing guest orders as it relates to manual, electronic or computerized systems
- through computer, order from bar or kitchen, verify correct payment
- identify the process of personal cheques, travellers' cheques, and credit cards
- define the term "tips", as it relates to service and various ways of distribution of such

### METHOD:

Through lectures, demonstrations, and practical application in the Gallery operation, the student will be familiar with the use of themes, buffets, gueridons and flambes as a means to increase sales.

During this semester special functions may occur deemed by the department to be educational. Participation in these according to assigned duties is a requirement for a passing grade.

Use of the Squirrel point of sale computer proficiency must be demonstrated.

#### **EVALUATION:**

Student will be graded as follows:

	stakung accommodation, please (sel ree on come and discusions
1)	Completion of Standard Manual
	Kitchen - Date Due
	Service - Date Due
	(Complete Manual including phases from semester one Sanitation and Mixology) $(40\%)$

- Personal appearance, Gallery performance and sales as indicated by evaluation form and sales objectives, as set up by instructors. (30%)
- 3) Term practical and theoretical tests. (30%)

PASS - 60%

#### ATTENDANCE

Failure to attend a theory class, lab, or staff meeting will result in the student receiving an "I" grade and forfeit their right to Gallery work until she/he demonstrates knowledge of activities to the satisfaction of the Gallery instructor.

Three "I" grades in a semester result in an "R" grade.

During this semester at least three mandatory functions are scheduled: Annual Gourmet Dinner, Presidential Advisory Dinner, and any other function deemed by the department to be educational. Participation in these according to assigned duties is required for a passing grade (20% of term).

The requirements stated under "attendance" are part of the evaluation system.

#### AVAILABILITY

Please check instructor's timetable for availability should you need help in assignments, projects or class work.

Room L140 Extension 437

#### ADDITIONAL INFORMATION

If there is any student in this class who has need for test-taking or notetaking accommodation, please feel free to come and discuss this with me.
