COURSE DESCRIPTION

This course will assist students in understanding how different legislative Acts or Bills affect the population they will be serving and the implications for the Developmental Services Worker. Students will be encouraged to express ideas for improving service delivery for the developmentally handicapped.

OBJECTIVES

After completing this course the student will:

1. Have a knowledgeable understanding of different service delivery models.
2. Distinguish between Schedule I, II, and III facilities for the developmentally handicapped.
3. Gain an understanding of the career fields available for graduating students.
4. Become knowledgeable of the Child and Family Services Act.
5. Discuss issues related to field work practicum.

METHODOLOGY

Guest speakers, films, and recent literature will be used to facilitate discussion and learning. This class will also be used to assist students having difficulties with field work and field work assignments. Because of the nature of this course no formal syllabus will be necessary.

Students will be able to, and will be encouraged to, pick subject material for discussion.
