	SAULT STE MARIE

Course Outline: DSW 106-4 (Developmentally Handicapped I) Page 2
D.S.W. Programme (Instructor: K. Cameron-DeLuco) Jan. 1987

## PART I Course Description

This course is designed to give the student an understanding of the present-day trends in the treatment of the developmentally handicapped. The course will familiarize the student with the causation factors related to mental retardation and also present a clear definition of various syndromes of mental retardation. This course will facilitate the prospective D.S.W. learning experiences in the practicum settings.

## PART II Course Goals

Developmentally Handicapped I emphasizes contemporary definitions of mental retardation. Various syndromes, etiologies and classifications are examined. An overview of the historical background of the delivery of services to the developmentally handicapped will be presented in order for the student to comprehend the manner in which present-day treatment has evolved. Causation factors relating to mental retardation will formu- late a foundation for future diagnostic procedures.

## PART III Terminal/Behavioural Objectives

- A. To define Mental Retardation according to AAMD.
- B. To increase knowledge in the area of parental attitudes towards mental retardation.
- C. To recall the historical development of the care and services for the mentally retarded.
- D. To examine the contributions made by specific individuals in the field of mental retardation.
- E. To identify the etiology, terminology and classification of mental retardation.
- F. To discuss cranial anomalies.
- G. To understand the I.P.R.C. process.
- H. To expand the student's awareness of the services and agencies in Sault Ste. Marie which work with the developmentally handicapped.

Resource: Handbook of Clinical Types in Mental Retardation,
Seymour Lemeshow, Allyn and Bacon, 1982.

#### PART VI

## Evaluation:

EXAM #1 = 100 Points

EXAM #2 = 100 Points

EXAM #3 = 80 Points

REPORTS = 20 Points

TOTAL = 300 Points - 3 = 100 %

\* FINAL EXAM

The course evaluation system can be modified at the discretion of the instructor.

## Grading:

A grade of A+, A, B, C, or R will be given upon completion of the course in agreement with the marking policy of Sault College.

90 - 100 = A + 80 - 89 = A 70 - 79 = B 60 - 69 = C Below 60 = R

"A+"- consistently outstanding

"A" - outstanding achievement

"B" - consistently above average achievement

"C" - satisfactory or acceptable achievement

"I" - Incomplete - course work not completed by mid-term assessment but expected to be complete by semester end.

NOTE: the "I" grade is acceptable at mid-term only. It is NOT an approved grade for end-of-term reporting and will not be recorded at the end of a semester.

Course Outline: DSW 106-4 (Developmentally Handicapped I) Page 6 D.S.W. Programme (Instructor: K. Cameron-DeLuco) Jan. 1987

# Grading Continued:

- "R" Repeat the student has not achieved the objectives of the course and the course must be repeated.
- "X" a temporary grade that is limited in use to rare instances when no other grade will ensure justice. The "X" grade may not be assigned unless accompanied by a written authorization from the Department Chairperson. Time allowed for completing course requirements will not exceed 120 calendar days beyond the end of the semester in which it is assigned and should only be used at the end of a term. If the final grade for the course is not received in the Admissions and Academic Records Office by the date indicated on the authorization, the "X" will revert to an "R".
