Course Outcomes and	Course Outcome 1	Learning Objectives for Course Outcome 1
Learning Objectives:	1.Relate how levels of government contribute to the accessibility of quality early learning programs that meet the needs of children and families.	<ul> <li>1.1.Summarize the historical trends that have influenced early learning and child care in Canada and describe the benefits of quality early learning programs to society as a whole.</li> <li>1.2 Identify the current range of early learning and child care programs available to families, including child care, kindergarten, before and after school and child and family programs.</li> <li>1.3.Describe the evidence based indicators of quality reflected in early learning programs.</li> <li>1.4.Discuss the initiatives of the Ontario Government to respond to the needs of children and families in Ontario.</li> <li>1.5 Describe the role of the Ontario Ministry of Education related to early learning programs.</li> <li>1.6.Compare and discuss the various Provincial legislations that regulate early learning programs.</li> </ul>
	Course Outcome 2	Learning Objectives for Course Outcome 2
	2.Explain the concept of professionalism as it relates to early childhood educators and interpret the purpose of a code of ethics and standards of practice for an early childhood professional.	<ul> <li>2.1 Define professionalism in early childhood education and explain concepts related to being a professional.</li> <li>2.2. Explain how Provincial legislation recognizes Early Childhood Educators as Professionals.</li> <li>2.3. Explain the role and mandate of the College of Early Childhood Educators as regulator of the early childhood education profession in the province of Ontario and discuss how it differs from other early learning organizations.</li> <li>2.4. Discuss the accountability and responsibilities that a registered early childhood educator has towards children, families, community partners, the public, colleagues and to the profession</li> <li>2.5. Indicate a variety of professional settings and positions available to Registered Early Childhood Educators and discuss career ladders, lattices, and career paths.</li> <li>2.6. Identify the challenges and initiatives to develop a sustained early years and child care workforce.</li> </ul>
	Course Outcome 3	Learning Objectives for Course Outcome 3
	3.Discuss how the principles and practices of early learning pedagogy strengthen the quality of early learning programs and services.	<ul> <li>3.1 Discuss the accountability and responsibility of early childhood educators to follow regulations and guidelines regarding current pedagogical approaches.</li> <li>3.2 Distinguish and compare the various provincial curriculum guidelines and program / pedagogical documents.</li> <li>3.3 Describe how the early learning framework's six principles provide a shared understanding of how young children experience and interact with the world around them.</li> <li>3.4 Explain how the current pedagogical approaches support pedagogy and program development in early-years settings that is shaped by views about children, the role of educators and families, and the relationships among them</li> </ul>
	Course Outcome 4	Learning Objectives for Course Outcome 4
	4.Discuss and illustrate best practices that early childhood educators reflect	4.1 Identify and summarize the various guidelines and regulations that early childhood educators are accountable to practice in order to develop responsive relationships and

 |childhood educators reflect
 |practice in order to develop responsive relationships and
 |

 SAULT COLLEGE | 443 NORTHERN AVENUE | SAULT STE. MARIE, ON P6B 4J3, CANADA | 705-759-2554

to create responsive relationships and learning contexts that value and reflect diversity, equity, and inclusion.	<ul> <li>learning contexts that value and reflect diversity, equity, and inclusion.</li> <li>4.2 Discuss the areas of human diversity and how early childhood educators create</li> <li>early learning contexts that respect and honour the uniqueness and diversity of children, families and communities including family structure, language, cultural values and practices, ethnicity, socio-economic status, spirituality, gender age and sexual orientation.</li> <li>4.3 Examine and reflect on the process of fostering an anti-bias approach that places diversity and equity at the centre of all relationships and learning contexts</li> </ul>	
Course Outcome 5	Learning Objectives for Course Outcome 5	
5.Use observation strategies and collaborative reflection to identify and interpret children's strengths, interest, ideas, and challenges in compliance with all privacy legislations and polices regarding confidentiality.	<ul> <li>5.1. Identify a variety of reasons to observe young children.</li> <li>5.2. Explain how the early childhood educator is accountable to all privacy and confidentiality legislations and policies in addition to the overall principles of observation.</li> <li>5.3. Identify lenses and filters that influence the observer and discuss other issues related to making observations.</li> <li>5.4. Compare a variety of observation methods and illustrate how narrative observations may be used in an early learning program.</li> <li>5.5. Discuss the value of collaborative reflection to make meaning of what has been observed.</li> </ul>	
Course Outcome 6	Learning Objectives for Course Outcome 6	
6.Recognize and demonstrate compliance by acting in accordance with early years and child care settings regulations, policies, procedures, and practices, as well as, the policies and practices of Sault College and the ECE Program.	<ul> <li>6.1.Explain the key regulations, policies, procedures, and practices that ECE students must adhere to as part of their field placement.</li> <li>6.2 Demonstrate compliance with all regulations, policies, procedures and practices outlined in the Sault College ECE Program documentation in regards to field practice.</li> <li>6.3 Clarify and interpret the roles and responsibilities of the ECE Student, Mentor, and College Supervising Faculty</li> </ul>	
Course Outcome 7	Learning Objectives for Course Outcome 7	
7.Apply principles of early learning pedagogy to curriculum within an early learning program.	stages of development.	
Course Outcome 8	Learning Objectives for Course Outcome 8	
8. Communicate professionally in all written work and verbal interactions with others and engage in reflective practice and demonstrate critical thinking skills	<ul> <li>8.1Communicate clearly, concisely and correctly in all written work that reflects a professional standard in vocabulary, grammar, spelling and format appropriate to the early learning sector.</li> <li>8.2 Correctly cite the sources of information within written submissions following APA format.</li> <li>8.3 Be respectful, positive and open in all communication</li> </ul>	

for the diverse opinions, values, belief systems and contributions of others 8.4 Interact with others in groups or teams in ways that contribute to effective working relationships and the achievement of goals. 8.5.Research, select and integrate information from various sources to develop a meaningful and relevant response to assigned questions. 8.6.Analyze, evaluate, and apply relevant information from a variety of sources. 8.7. Manage the use of time and resources to complete
projects in a timely manner.

Evaluation Process and Grading System:	Evaluation Type	Evaluation Weight
Grading Gystein.	Field Practice Portfolio	65%
	Module Quizzes	20%
	Reflection Papers	15%
