#### **MAJOR ASSIGNMENTS AND TESTING:**

Tests 30%

Two tests will be scheduled. All tests will be based on class discussions, class assignments, textbook and article readings. The dates for tests will be announced in class and posted on LMS.

Test #1 15% Test #2 15%

As per the testing policy, Tests/Quizzes must be completed on the date scheduled. If unable to attend due to illness or extenuating circumstances, contact the professor prior to the start of the test. An alternative date must be arranged before the next class.

Assignments 35%

1. Literacy Kit 25%

Students will create a Literacy Kit with activities that would be suitable for young children to take home and use with their parents/guardians. The topic of the Literacy Kit must be developmentally appropriate and must be cleared with the professor. Due dates will be announced in class and posted on LMS.

# 2. Storytelling Workshop

10%

Students will be attending a storytelling workshop on Wednesday, January 11 from 6 to 8:30 p.m. at the Sault Public Library. You will be engaged by storytellers in our community and look at various resources for alternative storytelling. This will involve learning activities to develop effective strategies for storytelling with young children. Criteria related to this evaluation factor will be explained in class.

<u>In-Class</u> 35%

Students are expected to participate in various in-class activities and discussions throughout the course. Some of the activities will require pre-class preparation. These activities must be completed during class time, therefore students who are not present for these activities will not have an opportunity to make them up and will be given a "0" mark for the activity.

1. <u>Learning Language and Loving It (LLLI) Modules</u> 20% Students will participate in "workshop" sessions which involve instruction and the viewing of video clips as part of the LLLI modules.

In addition, this component will be part of a larger LLLI Certificate that graduating ECE students will earn by the time they complete the ECE Program. Therefore, participation will be tracked and only ECE students completing the number of hours prescribed by the Hanen Centre will receive the certificate. Components of LLLI will be presented in this course and in ED 131, ED 137, ED 287 and ED 290.

2. In-Class Experiential Learning and Collaborative Teams 10% You are expected to be actively involved in your learning by attending class and fully participating in the learning activities and in-class workshops. This will involve working within a collaborative team to complete assigned activities related to course materials. You will be expected to actively engage in discussion within your collaborative team. Some classroom learning will occur in the form of workshops that are delivered from professionals in the community.

If you are not present or you do not bring all the necessary materials (i.e. textbook) or you are not fully participating for any of the activities, this will impact your grade in this evaluation factor.

- 3. Professional/Reflective Practice 5% You will be engaging in professional/reflective practice. This will encourage you to actively reflect on what you have learned and to develop professional practices that will enhance the learning process. These will be submitted at different points in the semester. The due dates will be communicated in class and on LMS. The late policy does not apply for this activity. You must be present in class and submit on the assigned date.
  - Assignments must be submitted on the due date, at the beginning of class, unless otherwise specified by the professor. If major assignments are late, both the following steps must be taken in order for the assignment to be evaluated;
    - Major assignments that are late are to be handed in to Room E3207 (slip under the door).
    - The professor will be notified, through LMS, that the assignment has been handed in. An attachment (in Microsoft Word format) of the completed assignment must be included. A reply will be sent back to the student indicating that the material has been received.
  - Late, major assignments will be deducted 5% per day, including weekends. Assignments will not be evaluated if they are received more than 1 week after the due date.
  - All assignments are to be typed unless otherwise stated. All ideas and direct quotations must be documented using APA style. Please refer to the section about Plagiarism posted on the Student Portal.
  - In-class or weekly assignments are due on the assigned date. These assignments will not be accepted after that date, as they are a part of class work, discussions and course expectations.
  - Students are responsible for retaining a file of all drafts and returned assignments. Students should keep their computer file of assignments until the end of semester. In the event of a grade dispute, students must produce the graded assignment, so it can be recorded.
  - Students must adhere to dates set for oral presentations unless the professor has approved prior arrangements. Students who do not present on their presentation date will forfeit the mark for that assignment.
