I. COURSE DESCRIPTION:

Through this course the teacher-in-training will develop skills in presenting developmentally appropriate activities to young children, on both an individual and a group basis. Students are scheduled for field practicum two days/week (with some block periods) in community placement settings. These supervised fieldwork hours assist the student in practicing observation and teaching skills.

A minimum of 600 field practice hours are required for meeting graduation requirements in this program, as well as successful completion of the competencies outlined in the Progress Review Form – SEMESTER II. These competencies are consistent with Provincial Standard Outcomes expected of an entry-level Early Childhood Educator who graduates from an Ontario Community College

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

Upon successful completion of this course, the student will demonstrate the ability to:

1. **Demonstrate All of the Competencies Outlined in the Early Childhood Education “Progress Review Form - Semester 2”, at a “Satisfactory” Level. *Field Practice Competencies are based on ECE Program Standards (2000) Ministry of Colleges and Universities and will meet the following Learning Outcomes***

Potential Elements of the Performance:

- Plan curriculum that is based on a thorough understanding of child development
- Plan and implement individual programs and curriculum to meet the developmental needs of children
- Utilize a variety of observations techniques to enhance work with children
- Maintain responsive relationships with individual children and groups of children
- Establish and maintain safe and healthy environments which best meet the requirements of current legislation regulatory bodies and program policies
- Develop and maintain effective written, oral, nonverbal communication with children, co-workers, employers and individuals
- Apply relevant legislation policies, procedures, and regulations
- Apply a personal approach to early child education within the framework of ethical and professional standards
- Act in a manner consistent with principles of fairness, equity, and diversity to support the development and learning of individual children

1. ***Provide Guidance and Direction in Spontaneous and Planned Learning Activities***

Potential Elements of the Performance:

- model and reinforce positive behaviour
- support children's efforts at relating to peers and others
- model appropriate social skills
- provide appropriate choices for children
- present appropriate alternatives which facilitate child guidance
- intervene effectively in conflict situations

III. TOPICS:

See timesheet and Final Progress Review for Semester 2 for details.
