EVALUATION:

Students will be evaluated

3 tests

Class participation

TESTS:

The time and content of tests will be approximately one week in advance.

Each test will be graded.

CLASS PARTICIPATION:

Class Participation will be based on participation in class discussion.

IMPORTANT:

In order to successfully complete this course, you must achieve an overall grade of C or better.

If an individual student fails a test, the student will be assigned additional work. If a student fails to "pick up" the work, the instructor will assign the student to complete the work. If a student fails to complete the work, the instructor will assess an Incomplete grade. If a student fails to complete the work, the instructor will assign the student to complete the work within a specified period.

If a student is absent from class throughout the semester, the student will not be allowed to continue with the course. If a student is absent from class throughout the semester, the student's overall grade will be Incomplete.

If a student is absent from class throughout the semester, that student will be assigned to complete the work during the supplemental test period held at the end of the semester. A final exam will be held for the student who successfully completes the work.
