Prepared: Frank Salituri

Approved: Sherri Smith, Chair, Natural Environment, Business, Design and Culinary

<b>Course Code: Title</b>	GRD105: PROFESSIONAL PRACTICES 1 DESIGN RESEARCH
<b>Program Number: Name</b>	1094: DIGITAL MEDIA
<b>Department:</b>	GRAPHIC DESIGN
<b>Semesters/Terms:</b>	19F
<b>Course Description:</b>	A sound understanding and practical applications of design research, information gathering techniques, and documentation of both formative and summative data, will be the end goal of this course. Through coaching and practice methods, students will gain insights into strategies that will guide them through the process for providing their clients with what is actually needed, versus what the client wants. With a good foundation in using research to approach and understand any design problem the participant may face in their future careers, the professional designer will be able to provide a better and more competitive service to their clients in any visual communications problem encountered.
