CR (Credit)	Credit for diploma requirements has been awarded.	
S	Satisfactory achievement in field placement or non-graded subject areas.	
U	Unsatisfactory achievement in field placement or non-graded subject areas.	
X	A temporary grade. This is used in limited situations with extenuating circumstances giving a student additional time to complete the requirements for a course (see <i>Policies & Procedures Manual – Deferred Grades and Make-up</i>).	
NR	Grade not reported to Registrar's office. This is used to facilitate transcript preparation when, for extenuating circumstances, it has not been possible for the faculty member to report grades.	

V. SPECIAL NOTES:

- a) Students are required to complete all necessary health requirements for practicum placement (see student resource guide).
- b) Students are required to have current certification in CPR, First Aid and WHMIS training. WHMIS will be organized for student in early September.
- c) Sections and schedules are developed to maximize student learning opportunities and experiences. (These are based on program needs and learning outcomes that are expected of all students.)
- d) Students must bring own lubricants and hand towel to all practicum experiences. BP cuff, stethoscope, reflex hammer, goniometer and pin wheel must be accessible as required for client assessment.

V. SPECIAL NOTES:

- e) Attendance at all practicum experiences is mandatory. Students are expected to participate in massage experiences each clinical day as defined by the instructor.
- f) Clinical experience will be divided between student clinic and off-campus placement.
- g) Students will be expected to market student clinic. Business cards and brochures will be provided.
- h) Students will be encouraged to participate in Out Reach events organized by the Program which fall outside of timetable.

Special Needs:

If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your instructor and/or the Special Needs office. Visit Room E1204 or call Extension 493, 717, or 491 so that support services can be arranged for you.

Retention of course outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other postsecondary institutions.

Plagiarism:

Students should refer to the definition of “academic dishonesty” in *Student Rights and Responsibilities*. Students who engage in “academic dishonesty” will receive an automatic failure for that submission and/or such other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Course outline amendments:

The Professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.

VI. PRIOR LEARNING ASSESSMENT:

Students who wish to apply for advanced credit in the course should consult the professor. Credit for prior learning will be given upon successful completion of a challenge exam or portfolio.

VII. DIRECT CREDIT TRANSFERS:

Students who wish to apply for direct credit transfer (advanced standing) should obtain a direct credit transfer form from the Dean's secretary. Students will be required to provide a transcript and course outline related to the course in question.
