I. COURSE DESCRIPTION:

This course will provide the learner opportunities to examine the role of the practical nurse when caring for individuals, families and/or groups with health challenges. The learner will utilize critical thinking skills to plan and implement holistic nursing care. The experience will take place in the laboratory setting and in a variety of medical-surgical areas.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

Upon successful completion of this course, the student will demonstrate the ability to:

1. Practice in a professional manner in accordance with the College of Nurses of Ontario "Standards of Practice".

Potential Elements of the Performance:

- a. Demonstrate accountability for own personal and professional growth.
- b. Maintain a distinction between professional and social roles.
- c. Engage in reflective practice to promote further learning
- d. Accept constructive criticism appropriately to promote change.
- e. Comply with the practice setting established standards and practice expectations by:
 - Displaying self-direction
 - Seeking out guidance appropriately
 - Seeking assistance when ethical conflicts arise
 - Demonstrating interest and enthusiasm in learning
 - Preparing for clinical experience according to guidelines
 - Dressing appropriately
 - Being punctual
 - Following guidelines for reporting absenteeism
 - Providing care within the student's role and current scope of practice
 - Demonstrating competency with gradually increased client* care assignment.
 - Identifying the role and scope of practice of the various members of the health care team
- f. Accept accountability for own decisions and actions.
- g. Report and record significant information accurately, confidently and respectfully to appropriate individuals, peers, faculty and agency personnel.
- h. Identify when personal values and beliefs conflict with the ability to maintain commitments to the client*.
- i. Demonstrate self-care practices that promote personal health and wellness.
- j. Demonstrate accountability and responsibility in attending clinical placement according to college policy.
- k. Recognize the right of the client* to make own health choices:
 - Support client* to find the best possible solution, given client's* personal values, beliefs and different decision-making style.
 - Respect the informed, voluntary decision of the client*.
 - Follow the wishes of the client* within the obligations of the law and CNO Standards of Practice.
- l. Describe opportunities to improve the level of health care in the community by working with groups to advocate for health policy and health resources.
- m. Demonstrate leadership qualities in clinical experiences.

2. Display caring behaviours when nursing the client*.

Potential Elements of the Performance:

- a. Create an atmosphere of mutual trust, acceptance and respect.
 - b. Demonstrate a supportive client*-centred approach.
 - c. Use a non-judgmental attitude, empathy and genuineness when interacting with the client*.
 - d. Display sensitivity to beliefs, values and practices of various lifestyles and cultures.
 - e. Establish therapeutic relationships that promote the achievement of expected health outcomes of the client*.
 - f. Apply appropriate therapeutic communication techniques:
 - Active listening
 - Touch
 - Silence
 - Verbal/non-verbal communication
 - Reflection
 - Feeling tones
 - g. Demonstrate confidence in promoting the self-care abilities of the client*.
 - h. Promote and preserve the self-esteem and self-confidence of client*.
 - i. Balance technical and technological aspects of nursing with a humanistic attitude and holistic approach.
3. Practice interpersonal skills which promote and maintain caring relationships with individuals, families, peers, faculty and agency personnel through collaboration and collegueship.

Potential Elements of the Performance:

- a. Participate as a contributing member of the team in providing care for the client*.
- b. Follow verbal and non-verbal directions safely, responsibly and consistently.
- c. Adapt communication strategies to meet the needs of the client*.
 - Listen to, understand and respect client* values, opinions, needs and ethno-cultural beliefs.
- d. Support the right to privacy and confidentiality of the client*.
- e. Act in a professional manner when communicating with clients*, families, peers, faculty and agency personnel.
- f. Support the client* with informed decision making.
- g. Promote the nurse's role as a client* advocate
- h. Employ basic strategies to bring about the resolution of conflict.

4. Integrate nursing knowledge and critical thinking skills to assess, plan, implement and evaluate holistic nursing care for the client* facing actual or impending acute health challenges.

Potential Elements of the Performance:

Assessment

- Demonstrate the ability to conduct purposeful client* interviews.
- Gather data through history taking, interviewing, consultation, physical examination and review of available records.
- Assess the client* accurately on an on-going basis.
- Differentiate between relevant and non-relevant observations to be reported and recorded.

Planning

- Identify the expected health outcomes (goals) of the client*.
- Plan individualized care according to assessment, pre-clinical preparation and evidence-based nursing practice.
- Apply nursing knowledge and critical thinking to set priorities in providing comprehensive holistic nursing care.

Implementation

Implement the plan of care:

- Adapt organizational plan to reflect changing priorities based on client* needs
- Conserve time, energy and supplies.
- Within a reasonable timeframe.
- Perform selected nursing interventions consistently in a safe competent client*-centred manner that minimizes risk and maximizes benefits to client*.
- Apply the concepts of health promotion, health protection, and prevention, (therapeutic treatment), rehabilitation and/or restorative care to the plan of care of the client*.
- Promote the use of community agencies to assist client* when appropriate.

Evaluation

- Evaluate achievement of expected outcomes (goals).
- Revise the plan of care as needed.
- Document relevant data in a concise and timely manner, according to "CNO Standards" and agency policy.

5. Apply the theories of growth and development and the change process to promote the optimal health and wellness of the client*.

Potential Elements of the Performance:

- a. Assess the client* based stages of life.
- b. Establish expected outcomes (goals) in collaboration with the client*.
- c. Plan nursing interventions based on the selected stage of growth and development in collaboration with the client*.
- d. Implement nursing interventions in collaboration with the client*.
- e. Provide dignified, comfortable care for the dying client*.
- f. Evaluate the extent to which the desired outcomes (goals) have been met
- g. Modify the plan of care based on the evaluation results.

6. Integrate principles of teaching-learning to promote optimal health, wellness and safety of the client*.

Potential Elements of the Performance:

- a. Assess the health status of the client* to determine learning needs.
 - b. Develop a plan in collaboration with the client*.
 - c. Apply principles of teaching-learning to facilitate client's* understanding.
 - d. Implement relevant and age-appropriate teaching plan to promote optimal health, wellness and safety of the client*.
 - e. Evaluate the effectiveness of the teaching plan for the client*.
 - f. Modify the teaching plan based on the evaluation.
7. Apply research findings to support nursing practice.

Potential Elements of the Performance:

- a. Use evidence-based information to assess client* health status.
- b. Provide a safe environment for the client* based on current and relevant research.

Note: Client* refers to individuals, their families and/or groups facing actual or impending acute health challenges.

III. TOPICS:

Students will practice in a variety of settings that include:

1. Hospitals
2. Health Science Resource Centre (HSRC)

Skills/concepts to be learned and practiced in the HSRC include:

1. Pressure Ulcer and Wound Management
2. Surgical Wound Care
3. Promoting Oxygenation/Oxygen Therapy
4. Intravenous Therapy
5. Bg Chem Testing
6. Medication Administration
7. Math Calculations for Medication Administration

IV. REQUIRED RESOURCES/TEXTS/MATERIALS:

College of Nurses of Ontario. (2001). *Compendium of standards of practice for nurses in Ontario* Toronto: College of Nurses of Ontario. (available on-line at www.cno.org)

Edelman, C.L., & Mandle, C.L. (2002). *Health promotion throughout the lifespan*. (5th ed.). Mosby.

Elkin, Perry, Potter. (2000). *Nursing interventions and clinical skills*. (2nd ed.). Mosby.

Gray Morris, D. (2002). *Calculate with confidence*. (3rd ed.). Toronto: Mosby.

PNG236 Lab Manual (2003-2004). Sault College.

Potter, P.A., & Perry, A.G. (Ross-Kerr, L.C. & Wood, M.J. Canadian Eds.) (2001). *Canadian fundamentals of nursing* (2nd ed.). Toronto: Mosby.

Lab Equipment (as directed by lab teacher/clinical instructor throughout the semester)

Brooks, M. (2003). *Exploring medical language: a student approach*. (5th ed.). Toronto: Mosby. (optional, new first year text)

V. EVALUATION PROCESS/GRADING SYSTEM:

1. Demonstrate consistently the overriding principles of safety, accountability and responsibility;
 2. Achieve the learning outcomes of PNG236;
 3. Achieve 60% (overall) on 3 lab tests. Supplemental testing is not available;
 4. Achieve 90% on Math Test #4. One supplemental test for Test #4 will be available. There will be one diagnostic and 4 drug calculation tests throughout the semester.
- For further information relating to program policies, refer to the Student Success Guide.

The following semester grades will be assigned to students in postsecondary courses:

<u>Grade</u>	<u>Definition</u>	<u>Grade Point Equivalent</u>
A+	90 - 100%	4.00
A	80 - 89%	3.75
B	70 - 79%	3.00
C	60 - 69%	2.00
F (Fail)	59% or below	0.00
CR (Credit)	Credit for diploma requirements has been awarded.	

S	Satisfactory achievement in field placement or non-graded subject areas.
U	Unsatisfactory achievement in field placement or non-graded subject areas.
X	A temporary grade. This is used in limited situations with extenuating circumstances giving a student additional time to complete the requirements for a course (see <i>Policies & Procedures Manual – Deferred Grades and Make-up</i>).
NR	Grade not reported to Registrar's office. This is used to facilitate transcript preparation when, for extenuating circumstances, it has not been possible for the faculty member to report grades.
W	Student has withdrawn from the course without academic penalty.

VI. SPECIAL NOTES:

Special Needs:

If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your instructor and/or the Special Needs office. Visit the Special Needs office so that support services can be arranged for you.

Retention of course outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other postsecondary institutions.

Plagiarism:

Students should refer to the definition of “academic dishonesty” in *Student Rights and Responsibilities*. Students who engage in “academic dishonesty” will receive an automatic failure for that submission and/or such other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Course outline amendments:

The Professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.

VII. PRIOR LEARNING ASSESSMENT:

Students who wish to apply for advanced credit in the course should consult the professor. Credit for prior learning will be given upon successful completion of a challenge exam or portfolio.

VIII. DIRECT CREDIT TRANSFERS:

Students who wish to apply for direct credit transfer (advanced standing) should obtain a direct credit transfer form from the Dean's secretary. Students will be required to provide a transcript and course outline related to the course in question.
