

## COURSE OUTLINE: PNG117 - PROF GROWTH I

Prepared: Barbara Thompson

Approved: Bob Chapman, Chair, Health

<b>Course Code: Title</b>	PNG117: PROFESSIONAL GROWTH I
<b>Program Number: Name</b>	3024: PRACTICAL NURSING
<b>Department:</b>	PRACTICAL NURSING
<b>Semesters/Terms:</b>	21W, 21F
<b>Course Description:</b>	This course will examine personal learning styles, the concepts of teaching and learning and their importance in the practice of nursing. The use of information technology will be applied to reading and understanding research reports, and to understand the impact and implications of information and technologies in healthcare. The learner will be introduced to the College of Nurses of Ontario's (CNO) standards of practice and reflective practice process. The learner will explore the evolution of nursing, select nursing theorists and the development of a personal philosophy of nursing.
<b>Total Credits:</b>	3
<b>Hours/Week:</b>	3
<b>Total Hours:</b>	45
<b>Prerequisites:</b>	There are no pre-requisites for this course.
<b>Corequisites:</b>	There are no co-requisites for this course.
<b>This course is a pre-requisite for:</b>	PNG127, PNG131, PNG237
<b>Vocational Learning Outcomes (VLO's) addressed in this course:</b>	<b>3024 - PRACTICAL NURSING</b>
<b>Please refer to program web page for a complete listing of program outcomes where applicable.</b>	VLO 1 Communicate therapeutically with clients and members of the health care team.
	VLO 4 Select and perform nursing interventions using clinical judgment, in collaboration with the client and, where appropriate, the health care team, that promote health and well-being, prevent disease and injury, maintain and/or restore health, promote rehabilitation, and/or provide palliation.
	VLO 7 Adapt to a variety of health care settings, using different leadership skills and styles as appropriate to each setting.
	VLO 9 Practise in a self-regulated, professional and ethical manner, complying with relevant legislation and with the standards of both the regulatory body and the practice setting to provide safe and competent client care.
<b>Essential Employability Skills (EES) addressed in this course:</b>	EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience.
	EES 2 Respond to written, spoken, or visual messages in a manner that ensures effective communication.
	EES 4 Apply a systematic approach to solve problems.
	EES 5 Use a variety of thinking skills to anticipate and solve problems.

In response to public health requirements pertaining to the COVID19 pandemic, course delivery and assessment traditionally delivered in-class, may occur remotely either in whole or in part in the 2020-2021 academic year.

SAULT COLLEGE | 443 NORTHERN AVENUE | SAULT STE. MARIE, ON P6B 4J3, CANADA | 705-759-2554

	EES 6	Locate, select, organize, and document information using appropriate technology and information systems.
	EES 7	Analyze, evaluate, and apply relevant information from a variety of sources.
	EES 8	Show respect for the diverse opinions, values, belief systems, and contributions of others.
	EES 9	Interact with others in groups or teams that contribute to effective working relationships and the achievement of goals.
	EES 10	Manage the use of time and other resources to complete projects.
	EES 11	Take responsibility for ones own actions, decisions, and consequences.
