

**I. COURSE DESCRIPTION:**

The purpose of this course is to familiarize students with the organization of the health care system in Ontario and the roles and interrelationships of health professionals. There will be the opportunity to discuss professional issues and changes confronting the system; health personnel and the public. Students will also identify ethical issues that impact on the rehabilitation field.

**II. LEARNING OUTCOMES:**

1. Explain the development of health care and social services in Ontario that resulted in our present day systems.
2. Identify and describe facilities used for health care in the province considering the level and types of care provided and location of services.
3. Distinguish among the various personnel, professionals and paraprofessionals involved in health care delivery, their educational preparation, roles and responsibilities.
4. Recognize funding issues in Ontario's Health Care System and the need for continuous quality improvement strategies.
5. Identify and explain significant changes in the health care system and the impact the changes have on clients, health care workers, the facilities, our communities.
6. Examine issues of responsibility, accountability, legal and ethical concerns of rehabilitation team members to themselves, the team, the public, the profession within the context of the health care system.
7. Identify client rights and responsibilities within the health care system and particularly with regards to their own health care in rehabilitation services.
8. Briefly identify recent legislation affecting health care and delivery of rehabilitation services.

## VI. EVALUATION PROCESS/GRADING SYSTEM

A combination of tests and assignments will be used to evaluate student achievement of the learning outcomes. A description of the evaluation methods will be provided and discussed by the teacher within the first two weeks of class. A final grade of 60% is required to pass this course.

All tests/exams are the property of Sault College.

### Supplemental Exam/Assignment:

A supplemental exam/assignment will be offered at the end of the course for students who meet the following criteria:

- The student received a final grade in this course of no less than 58%
- The student received a final grade of at least 60% in all other courses enrolled in this term
- The student handed in all assignments in this course on time.
- The student attended classes missing no more than 4 hours total, regardless of reason.

***The following semester grades will be assigned to students in postsecondary courses:***

<u>Grade</u>	<u>Definition</u>	<u>Grade Point Equivalent</u>
A+	90 - 100%	4.00
A	80 - 89%	3.75
B	70 - 79%	3.00
C	60 - 69%	2.00
R (Repeat)	59% or below	0.00
CR (Credit)	Credit for diploma requirements has been awarded.	
S	Satisfactory achievement in field placement or non-graded subject areas.	
U	Unsatisfactory achievement in field placement or non-graded subject areas.	
X	A temporary grade. This is used in limited situations with extenuating circumstances giving a student additional time to complete the requirements for a course (see <i>Policies &amp; Procedures Manual – Deferred Grades and Make-up</i> ).	
NR	Grade not reported to Registrar's office. This is used to facilitate transcript preparation when, for extenuating circumstances, it has not been possible for the faculty member to report grades.	

**VII. SPECIAL NOTES:**

Special Needs:

If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your instructor and/or the Special Needs office. Visit Room E1204 or call Extension 493, 717, or 491 so that support services can be arranged for you.

Retention of course outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other postsecondary institutions.

Plagiarism:

Students should refer to the definition of “academic dishonesty” in *Student Rights and Responsibilities*. Students who engage in “academic dishonesty” will receive an automatic failure for that submission and/or such other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Course outline amendments:

The Professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.

**VIII. PRIOR LEARNING ASSESSMENT:**

Students who wish to apply for advanced credit in the course should consult the professor. Credit for prior learning will be given upon successful completion of a challenge exam or portfolio.

**IX. DIRECT CREDIT TRANSFERS:**

Students who wish to apply for direct credit transfer (advanced standing) should obtain a direct credit transfer form from the Dean's secretary. Students will be required to provide a transcript and course outline related to the course in question.
