

I. COURSE DESCRIPTION:

This course will provide the student with the knowledge base and understanding of the causes of communication disorders and the role of the Speech Language Pathologist in the management of such. It will prepare the student with strategies to assist them in their role as an OTA/PTA managing individuals with communication disorders. The student will be introduced to augmentative/assistive communication devices commonly used and will learn appropriate application of these devices.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

In general, this course addresses Learning Outcomes of the Program Standards in: communication skills (1, 2, 8P, 8O), safety (1, 2, 8P, 8O), professional competence (1, 2, 5, 7, 8P, 8O), and application skills (1, 2, 8P, 8O). It addresses all of the Generic Skills Learning Outcomes with the exception of mathematical skills(4).

1. Demonstrate knowledge of neuroanatomy and neuropathology related to communication disorders.
2. Demonstrate knowledge of causes of communication disorders.
3. Demonstrate knowledge of the clinical presentation of communications disorders.
4. Demonstrate an understanding of the assessment procedures carried out by the Speech Language Pathologist.
5. Demonstrate an understanding of the treatment provided by the Speech Language Pathologist.
6. Demonstrate knowledge and skills required of an OTA/PTA when working with a client with a communication disorder.
7. Demonstrate an awareness of augmentative/assistive communication devices and an understanding of how and when these devices are used.
8. Demonstrate communication skills that are desirable when working with clients with various communication disorders.

III. TOPICS:

1. Introduction to Communication Disorders Course
2. The Speech Mechanism:
3. Phonology/Articulation: Identification and Remediation
4. Voice and Fluency: Identification and Remediation
5. The Hearing Mechanism: Identification and Implications for Learning
6. Early Communication/Language Development
7. Communication/Language Development in School Aged Children
8. Clinical Practice in Speech-Language Pathology: General Overview
9. Special Populations: Communicative Characteristics/Concerns
10. Augmentative/Assistive Communication Devices: Application

IV. REQUIRED RESOURCES/TEXTS/MATERIALS:

Scott, Lue (2001). A Survey of Communication Disorders for the Classroom Teacher. Allyn & Bacon.

V. EVALUATION PROCESS/GRADING SYSTEM:

1. A combination of tests and assignments will be used to evaluate student achievement of the course objectives. A description of the evaluation methods follows and will be discussed by the teacher within the first two weeks of class.
2. All tests/exams are the property of Sault College.
3. Students missing any of the tests or exams because of illness or other serious reason must notify the professor **BEFORE** the test or exam. The professor reserves the right to request documents to support the student's request.
4. Those students who have notified the professor of their absence that day will be eligible to arrange an opportunity as soon as possible to write the test or exam at another time. Those students who **DO NOT NOTIFY** the professor will receive a zero for that test or exam.
5. For assignments to be handed in, the policies of the program will be followed. For assignments not handed in by the due date, the mark received will be zero. Extensions will be granted if requested in writing at least 24 hours before the due date. There will be a deduction of one percent per day for every school day late with the permission of an extension. This means that if you requested an extension for 5 school days (1 week), 5 percentage points will be deducted from the final grade.
6. A supplemental exam may be written by students who meet the following criteria. The student must achieve at least a grade of 45% in the course. The student must have attended at least 80% of the classes. The supplemental exam will then cover the entire course and will be worth 100% of the student's final mark.

The following semester grades will be assigned to students in post-secondary courses:

<u>Grade</u>	<u>Definition</u>	<u>Grade Point Equivalent</u>
A+	90 – 100%	4.00
A	80 – 89%	
B	70 - 79%	3.00
C	60 - 69%	2.00
D	50 – 59%	1.00
F (Fail)	49% and below	0.00

CR (Credit)	Credit for diploma requirements has been awarded.
S	Satisfactory achievement in field /clinical placement or non-graded subject area.
U	Unsatisfactory achievement in field/clinical placement or non-graded subject area.
X	A temporary grade limited to situations with extenuating circumstances giving a student additional time to complete the requirements for a course.
NR	Grade not reported to Registrar's office.
W	Student has withdrawn from the course without academic penalty.

Note: For such reasons as program certification or program articulation, certain courses require minimums of greater than 50% and/or have mandatory components to achieve a passing grade.

It is also important to note, that the minimum overall GPA required in order to graduate from a Sault College program remains 2.0.

VI. SPECIAL NOTES:

Special Needs:

If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your professor and/or the Special Needs office. Visit Room E1101 or call Extension 2703 so that support services can be arranged for you.

Retention of Course Outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other post-secondary institutions.

Plagiarism:

Students should refer to the definition of "academic dishonesty" in the *Student Code of Conduct*. Students who engage in "academic dishonesty" will receive an automatic failure for that submission and/or such other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Course Outline Amendments:

The professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.

VII. PRIOR LEARNING ASSESSMENT:

Students who wish to apply for advanced credit in the course should consult the professor. Credit for prior learning will be given upon successful completion of a challenge exam or portfolio.

VIII. DIRECT CREDIT TRANSFERS:

Students who wish to apply for direct credit transfer (advanced standing) should obtain a direct credit transfer form from the Dean's secretary. Students will be required to provide a transcript and course outline related to the course in question.
