

COURSE OUTLINE: FIT208 - GROUP FITNESS II

Prepared: Lisa Folz

Approved: Bob Chapman, Chair, Health

Course Code: Title	FIT208: GROUP FITNESS II
Program Number: Name	3040: FITNESS AND HEALTH
Department:	FITNESS & HEALTH PROMOTION
Semesters/Terms:	21W
Course Description:	This course continues to enhance the necessary skills, acquired in Group Fitness, to develop and lead a group fitness class. In this course the student will be exposed to a greater variety of group fitness styles, for example, Cycling, Step, Yoga, Aqua-fit, and other specialty classes, and will participate in various community group fitness settings. The student will be challenged to identify, explain and demonstrate the necessary elements of each style of class and enhance their communication, leadership, motivational, and professionalism skills. Finally the student will be tasked to develop and instruct a specialty group fitness class of their choice to their peers. In addition, this course will effectively prepare the student for various group fitness certifications in the industry.
Total Credits:	3
Hours/Week:	3
Total Hours:	45
Prerequisites:	FIT151
Corequisites:	There are no co-requisites for this course.
Vocational Learning Outcomes (VLO's) addressed in this course:	3040 - FITNESS AND HEALTH
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 2 Prescribe appropriate physical activity, fitness, active living, and lifestyle programs to enhance health, fitness, and well-being of clients.
	VLO 3 Utilize appropriate interviewing and counselling skills to promote or enhance health, fitness, active living, and well-being of clients.
	VLO 4 Collaborate with individuals in the selection and adoption of strategies that will enable them to take control of and improve their health, fitness, and well-being.
