I. COURSE DESCRIPTION:

In this introductory level course, students learn to apply knowledge from interpersonal relations and group dynamics to working in a team. Emphasis will be placed on utilizing effective communication skills with individuals and groups. Group cohesiveness and group decision-making will be discussed.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE

In general, this course addresses generic outcomes in communication, analysis, interpersonal skills and accountability.

1. Explore and describe interpersonal communication.

Potential Elements of the Performance:

- Describe the components of the communication process.
- Define interpersonal communication.
- Identify various levels of intimacy and self-disclosure using the continuum of Interpersonal Communication.
- List the six principles of interpersonal communication.
- Identify reasons why knowledge of interpersonal and group dynamics is important for personal and career success.
- Identify strategies that will improve your ability to communicate more effectively.

2. Explore, define and describe the concept of self.

Potential Elements of the Performance:

- Outline contemporary policing.
- Define self-concept, self-esteem and self-presentation and discuss how each relates to communication.
- Apply Maslow's hierarchy of needs to communication.
- Explain the additions of diversity and managing technology as human needs.
- Describe five strategies to improve self-concept and self-esteem.

3. Explore and describe the effects of perception on communication.

Potential Elements of the Performance:

- Define perception and interpersonal perception.
- List and explain three stages of perception.
- Explain the impact of perception on interpersonal communication.
- Explain attribution theory.
- Describe errors, barriers and biases in interpersonal perception and attribution.
- Identify and give examples of five strategies to improve interpersonal perception.

4. Explore and describe the skills needed for effective interpretation of non-verbal communication.

Potential Elements of the Performance:

- Define and explain the five functions of non-verbal communication.
- List and explain the six types of non-verbal communication.
- Explain four strategies to improve your interpretation of non-verbal communication.
- Define listening.
- Discuss five major barriers to effective listening.
- Explain six strategies to improve listening.

5. Explore and describe the skills needed for effective verbal communication.
Potential Elements of the Performance:
 - Describe four major characteristics of verbal communication.
 - Identify barriers to effective verbal communication.
 - Explain and differentiate between the two types of communication climate.
 - Apply several of the ten common strategies used to improve interpersonal communication.

6. Explore and describe work groups and teams.
Potential Elements of the Performance:
 - Define groups and teams and note differences between them.
 - Explain how groups and teams meet members' personal and professional needs.
 - List the various types of teams and groups.
 - Explain the stages of group development according to Tuckman's model.
 - List the common characteristics of groups and teams.
 - Discuss conformity, compliance and obedience as related to groups and behaviour within teams.
 - Identify the characteristics of an effective group and differentiate an effective group from an ineffective group.
 - Identify the skills required for effective performance in teams and groups.

7. Explore and describe factors involved in designing effective teams.
Potential Elements of the Performance:
 - Explain why we are attracted to some people.
 - Identify and explain several factors that influence team design and composition.
 - Explain several factors that influence team success.
 - Identify barriers to effective teamwork.
 - Explain several factors and steps that must be considered when building a team.
 - Use a variety of skills to enhance personal performance on a team.

8. Explore and describe various effective problem solving and decision making models.
Potential Elements of the Performance:
 - Differentiate between the two processes of problem solving and decision making.
 - Set effective goals to assist in problem solving and decision making.
 - List the ways that groups make decisions.
 - Explain barriers to effective decision making and problem solving in groups and teams.
 - Use two models for improving problem solving and decision making in a group.
 - Explain three variations of group decision making.
 - Explain various ways to improve decision making and problem solving in a group or a team.

9. Explore and describe various effective leadership skills.
Potential Elements of the Performance:
 - Define leadership and differentiate leadership from management.
 - Explain three approaches to leadership.
 - List and explain the sources of power.
 - Explain various styles of leadership.
 - Explain effective leadership skills and behaviours.
 - Demonstrate effective skills for dealing with superiors.
 - Discuss the issue of leadership from a policing perspective.

10. Explore and describe various effective methods of dealing with change.

Potential Elements of the Performance:

- Define change and the various types of change.
- Explain how organizations react to change.
- List the various ways that people react to change and the various reasons that people may resist change.
- Use force-field analysis to explain the process of change.
- List the organizational and personal methods that can be used to overcome resistance to change.
- Discuss areas of change occurring in policing today including changes in officer training and recruitment.

III. REQUIRED RESOURCES/TEXTS/MATERIALS:

1. Interpersonal and Group Dynamics in Law Enforcement 2nd Edition by Bruce Bjorkquist, Emond Montgomery Publications
2. Additional readings will be assigned. Information on how to obtain these readings will be provided in class.

IV. EVALUATION PROCESS/GRADING SYSTEM

Test one	30%
Test two	30%
Test three	40%

The following semester grades will be assigned to students in post-secondary courses:

<u>Grade</u>	Definition	<u>Grade Point Equivalent</u>
A+	90 – 100%	4.00
A	80 – 89%	3.00
B	70 - 79%	2.00
C	60 - 69%	1.00
D	50 – 59%	0.00
F (Fail)	49% and below	
CR (Credit)	Credit for diploma requirements has been awarded.	
S	Satisfactory achievement in field /clinical placement or non-graded subject area.	
U	Unsatisfactory achievement in field/clinical placement or non-graded subject area.	
X	A temporary grade limited to situations with extenuating circumstances giving a student additional time to complete the requirements for a course.	
NR	Grade not reported to Registrar's office.	
W	Student has withdrawn from the course without academic penalty.	

Note: For such reasons as program certification or program articulation, certain courses require minimums of greater than 50% and/or have mandatory components to achieve a passing grade.

Students enrolled in Police Foundations or Law and Security Administration programs will require a minimum of 60% (C) as a passing grade in each course.

It is also important to note, that the minimum overall GPA required in order to graduate from a Sault College program remains 2.0.

V. SPECIAL NOTES:

Special Needs:

If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your professor and/or the Special Needs office so that support services can be arranged for you.

Retention of Course Outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other post-secondary institutions.

Communication:

The College considers **WebCT/LMS** as the primary channel of communication for each course. Regularly checking this software platform is critical as it will keep you directly connected with faculty and current course information. Success in this course may be directly related to your willingness to take advantage of the **Learning Management System** communication tool

Plagiarism:

Students should refer to the definition of “academic dishonesty” in the *Student Code of Conduct*. Students who engage in “academic dishonesty” will receive an automatic failure for that submission and/or such other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Course Outline Amendments:

The professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.

Rewrites of tests and exams are not permitted in this course.

All assignments must be typed, double spaced and have a cover page.

Failure to notify the professor of test/exam absence prior to the test/exam will result in a "0" being assigned.

Late assignments will not be accepted without a valid medical note.

VI. PRIOR LEARNING ASSESSMENT:

Students who wish to apply for advance credit transfer (advanced standing) should obtain an Application for Advance Credit from the program coordinator (or the course coordinator regarding a general education transfer request) or academic assistant. Students will be required to provide an unofficial transcript and course outline related to the course in question.

Credit for prior learning will be given upon successful completion of the following:

- A written examination covering course material.
- A research paper on a topic approved by the instructor.
