**V. EVALUATION PROCESS / GRADING SYSTEM (continued):****METHOD OF ASSESSMENT (GRADING METHOD)**

The following letter grades will be assigned in accordance with the Language and Communication Department Guidelines:

<u>Grade</u>	<u>Definition</u>	<u>Grade Point Equivalent</u>
A+	90 – 100%	4.00
A	80 – 89%	3.00

NR	Grade not reported to Registrar's office.	
W	Student has withdrawn from the course without academic penalty.	

**Note:** For such reasons as program certification or program articulation, certain courses require minimums of greater than 50% and/or have mandatory components to achieve a passing grade.

Students enrolled in Police Foundations or Law and Security Administration programs will require a minimum of 60% (C) as a passing grade in each course.

It is also important to note, that the minimum overall GPA required in order to graduate from a Sault College program remains 2.0.

**NOTE:** Students may be assigned an “F” grade early in the course for unsatisfactory performance.

**V. EVALUATION PROCESS / GRADING SYSTEM (continued):****GRADING**

Written work assigned and graded will constitute **70%** of the grade. A final research project/presentation will constitute **30%**.

Marking schemes for assignments will differ from professor to professor and from assignment to assignment. This flexibility recognizes that professors need to vary their approaches as they assist students with differing levels of competence to meet the outcomes of the course.

**Mid-Term Grades**

At **mid-term** one of the following grades will be assigned:

- |   |   |
|---|---|
| S | Satisfactory performance to the time of mid-term grade assignment (does not indicate successful completion of the course)     |
| U | Unsatisfactory performance to the time of mid-term grade assignment (does not indicate unsuccessful completion of the course) |
| F | The course must be repeated; minimal performance has resulted in the course outcomes not being met                            |

**VI. SPECIAL NOTES:****Special Needs:**

If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your professor and/or the Special Needs office. Visit room E1101 or call Extension 2703 so that support services can be arranged for you.

**Retention of Course Outlines:**

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other post-secondary institutions.

**Communication:**

The College considers **WebCT/LMS** as the primary channel of communication for each course. Regularly checking this software platform is critical as it will keep you directly connected with faculty and current course information. Success in this course may be directly related to your willingness to take advantage of the **Learning Management System** communication tool (if applicable).

Plagiarism:

Students should refer to the definition of “academic dishonesty” in the *Student Code of Conduct* publication. Students who engage in “academic dishonesty” will receive an automatic failure for that submission and/or other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department and the college to employ a documentation format for referencing source material.

Course Outline Amendments:

The professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.

**VII. PRIOR LEARNING ASSESSMENT:**

Students who have credit for a similar course from another college or university and wish to apply for advance credit transfer (advanced standing) should obtain an Application for Advance Credit from the Academic Assistant, in the office of the Chair, Community Services (Room E2201). Students will be required to provide an unofficial transcript and course outline related to the course.

Credit for prior learning will also be given upon successful completion of a challenge exam or portfolio. Contact the Student Services Office, E1101 for additional information.
