| Course Description:                       | Fieldwork Seminar 1A provides the students with an opportunity to meet as a group to share their fieldwork experience. This course is designed to integrate students` increased awareness and understanding of professional self, workplace expectations, ethics and professionalism. In addition, each seminar group will become adept at processing experiences in a concise and effective manner. This is accomplished under the guidance of their primary instructor.   |                   |   |
