ADVANCED SOCIOLOGY

Course Name

SOC 240-3

Code No.

TOTAL CREDIT HOURS: 3

Prerequisite(s): Successful completion of Introduction Sociology.

I Philosophy/Goals;

This course examines those aspects of sociological theory and social issues which are relevant and useful to students in their future vocations and to each student's growth and behaviour in our society.

II Student Performance Objectives;

Upon successful completion of this course, the student will be able to:

1. create an awareness of the contemporary social issues which impact on the students as members of the community.
2. see the relationship between the theories, the social issues and their possible solutions.
3. investigate adaptive and maladaptive responses to current social issues.
4. examine and critically evaluate solutions, methods of prevention and various support systems in existence.
5. consider other methods of prevention and support which may need to be developed in order to meet future needs.

III Topics to be Covered;

Social Problems from a Canadian Perspective
Sociological Perspectives on Social Problems
Methods of Analysis
The Aging Canadian
Poverty in Canada
The Family in Canada
Visible Minority Groups
Mental Disorder, Suicide and Prevention
Crime and Delinquency
Drug and Alcohol Abuse & Rehabilitation
