Exams cannot be re-written to receive a higher grade. Students who miss the exam without making prior arrangements with the instructor will be given a zero on the exam.

For the **ARTICLE COLLECTION**, the student will collect 10 articles from various resources (newspapers, magazines, journals, etc.). The collection should include the article and brief summary. The summary will include highlights of the article, the impact this information has on the Aboriginal community involved, the connection between this issue/article and course information taken, the student's previous awareness/or not and opinion on the topic. The article and any sources used must be cited and referenced. Articles must have been published within the last 365 days. The paper will thoroughly examine the ramifications of this issue from the perspective of all of the groups/people affected by the issue. The students may build upon their article collection as a literature review to support their research for this assignment. Information should include Aboriginal service organizations and/or political organizations involved with the issue. Historical and current information regarding the issue should be included.
