ASSIGNMENTS

The following is a brief description of the required assignments during the semester. The instructor will provide further detailed information.

Cultural Competence Exercise: Students will examine their own cultural competence based on their experiences and personal beliefs. Students will also prepare a plan that moves the student towards another level of cultural competency. Students will also reflect on the level of cultural competency demonstrated at their placement setting. In addition to this reflection students will identify how the agency may change their level of cultural competency.

Peer Consultation Exercise: This assignment will allow the student to experience peer consultation. Students will be expected to provide the class with a scenario from placement they would like to talk about as a group. The class will provide constructive feedback and the student will prepare a written summary of how the feedback and suggestions were implemented.

Research Paper: Students will choose a topic/issue that is relevant to their placement setting and complete an 8 page research paper using APA format. The student is required to access a minimum of 5 references from professional journals and scholarly resources to support their research paper. A minimum of one website may be used, but must be from a professional or government organization. Proper APA format and referencing of sources within the body of the paper is required.

Resume / Job Search Exercise: Students will prepare a current resume and will apply for a social service related job and participate in a mock interview. Students will also research local job search agencies to get feedback and assistance on resume building and job search. Student will also conduct in class exercises to prepare for job interviews.

Workshop Implementation and Evaluation: Student groups will implement the workshop that has been planned over the third and fourth semester. Students will prepare a participant and personal evaluation to evaluate the effectiveness of the workshop and their reflection of their level of participation and contribution to the workshop.

Significant Event: The students will prepare a written description of a significant event that occurred during placement. This event will allow the student to reflect on the learning opportunity this event presented. Students will be asked to

Weekly Journal: A weekly journal will be submitted covering the previous week. In the journal the student will describe what occurred at placement. Throughout the semester specific elements will be required to write about in the journal. The instructor will provide further detailed specifics.

VI. SPECIAL NOTES:

Attendance:

Sault College is committed to student success. There is a direct correlation between academic performance and class attendance; therefore, for the benefit of all its constituents, all students are encouraged to attend all of their scheduled learning and evaluation sessions. This implies arriving on time and remaining for the duration of the scheduled session.

Significant learning takes place in the classroom through an interactive learning approach; therefore, it is an expectation that students attend classes regularly to contribute to the academic performance and development of professional skills.

By midterm the professor will calculate the attendance and a letter will be distributed to the students who require a plan to address the attendance concern. Students who have missed more than 40% of scheduled classes will meet with the professor to discuss the program and course expectations and create a plan which addresses attendance concerns.

Students are encouraged to communicate with the professor when absences are anticipated and immediately returning from an absence. It is the student's responsibility to catch up on any notes and material missed when absent.

A pattern of absences or lateness may result in academic consequences which may include failure in course, ineligibility for fieldwork component of the program, implementation of a learning/success contract, suspension or withdrawal from fieldwork.

Assignments:

Assignments are discussed when distributed. It is the responsibility of the student to seek clarification from the professor if absent when an assignment was distributed or if further clarification is requested related to the instructions or concepts.

Students must contact the professor ***prior to the due date*** to request consideration for an extension of an individual assignment. Valid and justifiable circumstances will be considered if granting an extension. Students will complete an Assignment Extension Request form and attach the completed form to the assignment.

Assignments are to be submitted electronically to the professor. The electronic copy provides verification of the date and time of submission. In addition a hardcopy of each assignment is to be submitted to the professor on the due date. The hardcopy will be marked by the professor. Assignments not submitted by hardcopy will not be graded until a hardcopy is provided to the professor.

Late assignments will be penalized 1% per day late and will be accepted for grading up to one week after the due date. Assignments submitted beyond one week past the due date will not be accepted.
