**PARK OPERATIONS & LAW**

**FOR 360-6**

COURSE NAME

COURSE NUMBER

**TOTAL CREDIT HOURS: 75**

**PREREQUISITE(S): None**

**I. PHILOSOPHY/GOALS:**

This course deals with the management and operation of campgrounds and day-use areas in provincial, national, and municipal parks as well as back country recreation carrying capacity, management and planning. It covers park management plans, policies and procedures, hospitality, and operating problems and solutions.

This course also includes the basic principles of law enforcement, with particular emphasis on the statutes and regulations that apply in provincial parks.

**II. STUDENT PERFORMANCE OBJECTIVES:**

Upon successful completion of this course the student will:

1. Be able to recognize and suggest workable solutions for a number of management and operational problems in campgrounds and day-use and back country areas.
2. Be able to prepare a staffing schedule for a medium-size park.
3. Be able to recognize and demonstrate good hospitality practices and to correct poor hospitality situations.
4. Have a working knowledge of correct registration processes for campgrounds, day-use and back country areas.
5. Be able to analyze and interpret park management plans and annual work plans.
6. Know the categories of federal and provincial offences and be able to illustrate how these offences are handled in Ontario's court system.
7. Be able to explain the powers of arrest, search, seizure and use of force for a provincial park employee.
