

COURSE OUTLINE: EST200 - MAKE-UP ARTISTRY II

Prepared: Silvana Bassanello

Approved: Martha Irwin, Chair, Community Services and Interdisciplinary Studies

Course Code: Title	EST200: MAKE-UP ARTISTRY II
Program Number: Name	2017: ESTHETICIAN
Department:	ESTHETICIAN
Semesters/Terms:	19W
Course Description:	This course builds upon the knowledge and artistry skills acquired in Makeup Artistry I. Students will be instructed with corrective techniques for eyes, lips, face shapes and particular facial features. Emphasis will continue with practical instruction with the professional makeup procedure for special occasion makeup for all ages and for evening and bridal applications. A review of eye brow shaping will be stressed. This course will also include practical instruction with eyelash and eyebrow tinting, applying semi- permanent false eyelashes and eyelash perming treatments.
Total Credits:	4
Hours/Week:	4
Total Hours:	60
Prerequisites:	EST161
Corequisites:	There are no co-requisites for this course.
This course is a pre-requisite for:	EST208, EST210
Vocational Learning Outcomes (VLO's) addressed in this course:	2017 - ESTHETICIAN
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 1 Perform a variety of specialized body and skin care treatments following correct procedures and precautions and supporting client needs (including and not limited to facials, manicures, pedicures, hair removal, and make up applications).
	VLO 2 Use a range of specialized equipment and products, in compliance with established national, provincial, industry, and other related standards, regulations, policies, and procedures.
	VLO 4 Adhere to health, safety, sanitation, and infection and prevention control guidelines, according to current legislation and national, provincial, municipal, and industry standards and regulations.
	VLO 5 Identify business skills and activities required for the successful establishment and operation of a small esthetic business in a salon or spa environment.
	VLO 6 Select and recommend the use of esthetic products and product ingredients to clients, taking into account health status and identified needs.
	VLO 7 Establish and maintain professional relationships in adherence to standards and ethics associated with the profession.
	VLO 8 Develop customer service strategies that meet and adapt to individual needs and expectations in accordance with professional standards and ethics.
	VLO 9 Determine professional development strategies that lead to the enhancement of work performance and career opportunities and keep pace with industry change.

SAULT COLLEGE | 443 NORTHERN AVENUE | SAULT STE. MARIE, ON P6B 4J3, CANADA | 705-759-2554
