

COURSE OUTLINE: SSW207 - COMMUNITY RESOURCES

Prepared: Judi Gough, MSW,RSW & Leanne Murray, MSW, RSW

Approved: Lori Crosson, Director, E-Learning and Continuing Education

Course Code: Title	SSW207: SSW COMMUNITY RESOURCES & FIELD PREP
Program Number: Name	1203: SOCIAL SERV WORKER
Department:	SOCIAL SERVICES WORKER
Semesters/Terms:	21W
Course Description:	This course is designed to prepare students for the roles and responsibilities of social service workers across diverse settings. In this course, students will understand the historical development of social work and human service organizations. Students will examine the current nature of human services field and organizations within the current economic, social and political reality. The course explores the broad range of community resources accessed by individuals and families in Sault Ste. Marie and the District of Algoma (as applicable/relevant). Students will learn effective approaches to locating social service organizations, and learning about their mission, services and referral processes. Finally, as a field preparation course, students will engage in personal and professional reflections to demonstrate their readiness for second year studies and community based experiences.
Total Credits:	3
Hours/Week:	3
Total Hours:	45
Prerequisites:	There are no pre-requisites for this course.
Corequisites:	There are no co-requisites for this course.
This course is a pre-requisite for:	SSW301, SSW302, SSW307
Vocational Learning Outcomes (VLO's) addressed in this course:	1203 - SOCIAL SERV WORKER
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 1 Develop respectful and collaborative professional and interpersonal relationships that adhere to professional, legal, and ethical standards aligned to social service work.
	VLO 2 Record information accurately and communicate effectively in written, digital, verbal and non-verbal ways, in adherence to privacy and freedom of information legislation, in accordance with professional and workplace standards.
	VLO 3 Integrate a practice framework within a service delivery continuum, addressing the needs of individuals, families and communities at micro, mezzo, macro and global levels, and work with them in achieving their goals.
	VLO 4 Plan and implement accessible and responsive programs and services, recognizing the diverse needs and experiences of individuals, groups, families and communities, and meeting these needs.
	VLO 6 Develop strategies and approaches that support individual clients, groups, families and communities in building the capacity for self-advocacy, while affirming their

- dignity and self-worth.
- VLO 7 Work from an anti-oppressive, strengths-based practice, recognizing the capacity for resilience and growth of individuals and communities when responding to the diverse needs of marginalized or vulnerable populations to act as allies and advocates.
 - VLO 8 Develop strategies and approaches to implement and maintain holistic self-care as a member of a human service profession.
 - VLO 9 Work with individuals, groups, families and their communities to ensure that service provider strategies promote social and economic justice, and challenge patterns of oppression, discrimination and harassment, and sexual violence with clients, coworkers and communities.
 - VLO 10 Develop the capacity to work with the Indigenous individual, families, groups and communities while respecting their inherent rights to self-determine, and to identify and address systemic barriers that produce ill-effects, developing appropriate responses using approaches such as trauma informed care practice.

Essential Employability Skills (EES) addressed in this course:

- EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience.
- EES 2 Respond to written, spoken, or visual messages in a manner that ensures effective communication.
- EES 4 Apply a systematic approach to solve problems.
- EES 5 Use a variety of thinking skills to anticipate and solve problems.
- EES 6 Locate, select, organize, and document information using appropriate technology and information systems.
- EES 7 Analyze, evaluate, and apply relevant information from a variety of sources.
- EES 8 Show respect for the diverse opinions, values, belief systems, and contributions of others.
- EES 9 Interact with others in groups or teams that contribute to effective working relationships and the achievement of goals.
- EES 10 Manage the use of time and other resources to complete projects.
- EES 11 Take responsibility for ones own actions, decisions, and consequences.
