COURSE OUTLINE

COURSE TITLE: Integrative Seminar III

CODE NO. : ED 218

PROGRAM: Early Childhood Education

AUTHORS: Bev Browning, Andrea Welz and Colleen Brady

Professor Colleen Brady E.C.E.C. B.A. 759-2554 ext. 572 colleen.brady@saultc.on.ca

DATE: Fall 2005

PREVIOUS OUTLINE DATED: Fall 2004

APPROVED:

__________________________________ DEAN

DATE

TOTAL CREDITS: 1

PREREQUISITE(S): ED 116, ED 110, ED 269

HOURS/WEEK: 2
I. COURSE DESCRIPTION:

This weekly seminar gives students the opportunity to share ideas and theoretical concerns relative to field practice. Teaching activities completed during field placement will form a basis for discussion. As a result, the student will be better prepared for planning and implementing activities for children’s learning, and as well, for guiding behaviour.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

Upon successful completion of this course, the student will demonstrate the ability to:

1. **Consolidate previously learned teaching methods and approaches**  
   *(Reflection of CSAC Standard Vocational: #1, #3, #4)*  
   Potential Elements of the Performance:  
   - Provide examples of teaching interactions and suggest appropriate alternatives  
   - Articulate one’s ideas on positive teaching techniques  
   - Practice confidentiality

2. **Report regularly on personal skill development related to the competencies outlined for semester three.** *(Reflection of CSAC Standard Vocational: #6, #8)*  
   Potential Elements of the Performance:  
   - Using the Progress Review Form III, provide specific examples of one’s interactions to support the self-analysis of teaching behaviours  
   - Complete self-assessment reports thoroughly in order to assist in planning strategies for change  
   - Assess one’s strengths, and suggest realistic alternatives for change  
   - Make use of one’s video record of teaching to improve teaching techniques

3. **Refine observational skills.** *(Reflection of CSAC Standard Vocational #3)*  
   Potential Elements of the Performance:  
   - Use appropriate data collection techniques  
   - Summarize observational data  
   - Propose strategies for assisting children in improving skills.

4. **Propose developmentally appropriate approaches for responding sensitively to and guiding child’s behaviour.** *(Reflection of CSAC Standard Vocational: #2, #4, #8)*  
   Potential Elements of the Performance:  
   - Outline the goals for positive guidance  
   - Distinguish between punishment and discipline  
   - Describe developmentally appropriate means of intervening in conflict situations  
   - Formulate appropriate guidance methods based on strategies learned in class discussions and related readings
III. TOPICS:

Module 1: Overcoming Common Problems in Student Teaching

Module 2: The Practice of Self-Reflection for Semester III

Module 3: Observing Young Children: Alternatives in Documentation

Module 4: Guiding Behaviour: Issues and Strategies

IV. REQUIRED RESOURCES/TEXTS/MATERIALS:

4. * Day Nurseries Act

* Previously purchased or Purchased for other courses.
V. EVALUATION PROCESS/GRADING SYSTEM:

Participation in Class Activities. 60%

In-Class Activities 55%
Students are expected to participate in various in-class activities throughout the course. The focus of the activities will be to provide students with opportunities to engage in experiential learning that reflects the theory being discussed. These activities must be completed during class time, therefore students who are not present for these activities will not have an opportunity to make them up and will be given a “0” mark for the activity.

Quality of Participation 5%
The course depends upon students being punctual, present and involved. Students will be evaluated on the quality of their participation that has been consistent throughout the semester. The quality of your participation can only be evaluated when you are in attendance, therefore the evaluation will be based only on the days you are in attendance.

0 = Poor Participation: (usually inattentive or uninvolved, frequent off-task behaviours; negativity or lack of positive contributions.

1 = Minimal Participation: (often inattentive or uninvolved; often off-task, minimal contributions to class)

2 = Fair Participation: (reasonably attentive and involved, reasonably on task demonstrated attempts to make class contributions)

3 = Moderate Participation: (good attention and involvement, usually on-task, good efforts to contribute.)

4 = Strong Participation (almost always attentive and involved, strong ability to stay on task, makes consistent positive contributions.

5 = Excellent Participation (classroom leader, keeps self and others involved and on task, makes excellent contributions.)

PLEASE NOTE:
You must attend class in order to be evaluated on your participation. Therefore, your attendance record will be a factor that is calculated into the evaluation of your overall quality of participation. Students who find it difficult to attend classes are invited to discuss this with the professor. Such discussion does not change the requirements of this section.

Assignments: 40%

- Self Reflection of Teaching Behaviours: 30%
- Guiding Behaviour 10%

Assignment Details and Due Dates to be discussed in class
PLEASE NOTE:

Regarding Student Progression through the three Co-Requisite Core ECE courses:
Teaching Methods(Curriculum Design, Math and Science), Seminar, Field Practice

Students must receive a minimum of a “C” (2.0 G.P.A.) in each semester’s Teaching Methods, and Seminar, courses and receive an “S” Satisfactory in their Field Practice, (in the case of Field Practice 1, students must receive a “C”) within the same semester, in order to proceed to the next semester’s co-requisite courses.

The following semester grades will be assigned to students in post-secondary courses:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Definition</th>
<th>Grade Point Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>90 – 100%</td>
<td>4.00</td>
</tr>
<tr>
<td>A</td>
<td>80 – 89%</td>
<td>4.00</td>
</tr>
<tr>
<td>B</td>
<td>70 - 79%</td>
<td>3.00</td>
</tr>
<tr>
<td>C</td>
<td>60 - 69%</td>
<td>2.00</td>
</tr>
<tr>
<td>D</td>
<td>50 – 59%</td>
<td>1.00</td>
</tr>
<tr>
<td>F (Fail)</td>
<td>49% and below</td>
<td>0.00</td>
</tr>
</tbody>
</table>

CR (Credit)  Credit for diploma requirements has been awarded.
S  Satisfactory achievement in field/clinical placement or non-graded subject area.
U  Unsatisfactory achievement in field/clinical placement or non-graded subject area.
X  A temporary grade limited to situations with extenuating circumstances giving a student additional time to complete the requirements for a course.
NR  Grade not reported to Registrar's office.
W  Student has withdrawn from the course without academic penalty.

Note: For such reasons as program certification or program articulation, certain courses require minimums of greater than 50% and/or have mandatory components to achieve a passing grade.

It is also important to note, that the minimum overall GPA required in order to graduate from a Sault College program remains 2.0.
VI. SPECIAL NOTES:

Class Expectations

Class Activities:
1. Attendance plays an important role in successful learning and skill development, so students are expected to attend. Failure to attend may have an impact on your In-class activity participation mark.
2. Students are responsible for work assigned during absences.
3. Students should be aware that the expectations for their conduct in class are outlined in the "Statement of Student Rights and Responsibilities" in the Sault College Handbook.

Assignments:
1. All assignments must be submitted on the due date at the beginning of the class period unless otherwise specified by the professor.
2. All assignments must be typed and stapled or they will be returned to the student unmarked.
3. To protect students, assignments must be delivered by the student/author to the professor. Any assignments sent through WebCT must be forwarded in Microsoft Word format.
4. Late submissions will be deducted 5% per day.
5. Assignments more than one week late will not be accepted.
6. Students must adhere to dates set for oral presentations unless the professor has approved prior arrangements. Students who do not present on their presentation date will forfeit the mark for that assignment.
7. Students have the responsibility to be aware of assignment due dates. If they miss in-class assignments that are due at the end of the class period for evaluation, they forfeit the mark.
8. Students are responsible for retaining a file of all drafts and returned assignments. We suggest students keep their computer file of assignments until the end of semester. In the event of a grade dispute, students must produce the graded assignment, so it can be recorded.

Tests/Quizzes:
Tests/Quizzes must be completed on the date scheduled. If unable to attend due to illness or extenuating circumstances, contact the professor at least one hour prior to the start of the test. If advance notice is not given to the professor, the student will receive a mark of “0”. It is the student’s responsibility to make an alternative date with the professor that must be scheduled before the next class.

Learning Environment
In the interest of providing an optimal learning environment, students are to follow these two expectations;
- Late students are expected to quietly enter the classroom and sit in the nearest seat available. Have your notes and writing material ready before you enter class. If assignments and activities have begun, please wait until they are completed. Wait until after class to speak to classmates about missed material. Make sure you have made arrangements with someone in the class to pick up handouts and take notes for you.

Students are to keep private conversations and other distracting behaviour out of the classroom
Missed Classes
If a student misses a class, it is their responsibility to ask a classmate to take notes and pick up assignments and handouts.

Guest Presenters
Having guest speakers is a privilege. Showing respect for them, includes keeping private conversations out of the classroom, using the bathroom before the presentation, and bringing any items to class before the presentation (Kleenex, drinks). Leaving the room should be for emergency reasons only.

Food and Drink
Students may eat and drink in class, however eating large “meals” during class will be discouraged and students will be asked to consume their meal elsewhere and may return to class when they are finished. Students are responsible for cleaning up. If the classroom is littered with garbage, the instructor may revoke this privilege. Necessary to meet the needs of students.

Your instructor reserves the right to modify the course, as he/she deems necessary to meet the needs of students.

Dates for projects or tests may be revised depending upon course content/flow

Special Needs:
If you are a student with special needs (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your professor and/or the Special Needs office. Visit Room E1101 or call Extension 703 so that support services can be arranged for you.

Retention of Course Outlines:
It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other post-secondary institutions.

Plagiarism:
Students should refer to the definition of “academic dishonesty” in Student Rights and Responsibilities. Students who engage in “academic dishonesty” will receive an automatic failure for that submission and/or such other penalty, up to and including expulsion from the course/program, as may be decided by the professor/dean. In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Course Outline Amendments:
The professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Substitute course information is available in the Registrar's office.
VII. PRIOR LEARNING ASSESSMENT:

Students who wish to apply for advanced credit in the course should consult the professor. Credit for prior learning will be given upon successful completion of a challenge exam or portfolio.

VIII. DIRECT CREDIT TRANSFERS:

Students who wish to apply for direct credit transfer (advanced standing) should obtain a direct credit transfer form from the Dean’s secretary. Students will be required to provide a transcript and course outline related to the course in question.
