Tests/Quizzes:
1. Students are expected to come to the test prepared with all of the instruments needed to complete the test. (pencil, student number)
2. Tests/Quizzes must be completed on the date scheduled. If unable to attend due to illness or extenuating circumstances, contact the professor at least one hour prior to the start of the test. If advance notice is NOT given to the Professor, the student will receive a mark of “0”. It is the student’s responsibility to make an alternative date with the professor that must be scheduled before the next class.
3. Students will be permitted into the class to write the test beyond the start time until the time at which other students have finished the test and left the room. The student will not be given extended time to complete the test. At that point, students will not be able to complete the test and will receive a mark of “0” for the test.

Your instructor reserves the right to modify the course, as he/she deems necessary to meet the needs of students. Dates for projects or tests may be revised depending upon course content/flow.
