I. COURSE DESCRIPTION:

Through experiential learning and discussion students will gain a general understanding about the Early Childhood Education field. The roles and responsibilities needed to work with young children will be examined. Students will be introduced to the professional standards and practices that are required for working in a variety of early learning settings.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

Upon successful completion of this course, the student will demonstrate the ability to:

1. **explain relevant legislation, policies, procedures, and regulations to early childhood education programs and settings.** Reflection of VLO * 2012, #7 and 8

   Potential Elements of the Performance:
   - describe policies outlined in the Sault College Code of Conduct and the ECE Field Practice Policies Manual
   - clarify and interpret the roles and responsibilities of the ECE Student, Mentor, and College Supervising Faculty
   - identify the purpose of various types of government legislation and professional organizations
   - identify the purpose of ethical and professional standards and relate this understanding to the CECE Code of Ethics and Standards of Practice

2. **act in a manner consistent with principles of fairness, equity, and diversity to support the development and learning of individual children, within the context of his/her family, culture and society** Reflection of VLO* #2, 4, and 6

   Potential Elements of the Performance:
   - define areas of diversity and anti-bias approach
   - examine personal attitudes which may interfere with the formation of an anti-bias philosophy
   - recognize and express the value of diversity and commonality that exists among individuals
   - promote an environment of mutual respect
   - use skills required to combat bias, prejudice and discrimination
   - develop strategies that promote respectful interactions with children, staff, families and their communities in a respectful, accepting manner

3. **analyze and implement a variety of observational methods and strategies.** Reflection of VLO* #3, 6

   Potential Elements of the Performance:
   - identify the reasons for observing young children
   - distinguish between objective and subjective observations and describe their crucial differences
   - describe the variety of different observational methods

* VLO - Ministry of Training, Colleges and Universities, ECE Program Standards Vocational Learning Outcomes
• compare the advantages and disadvantages of each type of observational method
• analyze recorded observations for accuracy of technique
• develop strategies to record observational data that demonstrates professionalism and maintains confidentiality
• document and report observations in a professional manner

4. **apply principles of early learning pedagogy to curriculum and program development** *Reflection of VLO* #1

Potential Elements of the Performance:
• select quality literature appropriate for varying age groups
• present literature to children effectively
• develop a several literacy building strategies through book reading
• identify local organizations that provide appropriate early years resource materials

5. **act in a professional manner** *Reflection of VLO* #6, 10 and Essential Employability Skills #1, 5 and 6

Potential Elements of the Performance:
• use self-reflection and self-evaluation skills in an ongoing manner
• contribute one’s own ideas, opinions and information while demonstrating respect of those of others
• communicate clearly, concisely, and effectively in written, spoken, and visual form
• work collaboratively with others
• take responsibility for one’s own actions, decisions, and consequences
• apply an accepted standard of writing, grammar, spelling and format to all submitted documents.
• comply with ECE Confidentiality Policy, The ECE Program Guide, the Sault College Student Code of Conduct

III. **TOPICS:**
• ECE program and professional legislation, policies, procedures
• Roles and responsibilities of early childhood educators
• Confidentiality
• Selecting and presenting developmentally appropriate, quality children’s reading material
• Locating resources to support early childhood education
• Introduction to observing and recording young children’s behaviour

*VLO - Ministry of Training, Colleges and Universities, ECE Program Standards Vocational Learning Outcomes*
IV. REQUIRED RESOURCES/TEXTS/MATERIALS

MATERIALS

1. Name Tag – details will be discussed in class

2. Field Practice Requirements – A number of assignments in this course require you to spend time in the Child Development Centre (CDC) working with children. In order to do this, you must meet the following requirements, some which are legislatively required (DNA), before spending time at the centre. Failure to do so by the above due date, will impact your ability to complete these assignments. Please ensure that the following documents are cleared the with the Field Placement Officer;
   - Current Police Records Search
   - Immunization and Health Record Form:
   - WHMIS training
   - Current First Aid /CPR
   - Anaphylaxis Review (done in ED124 Healthy Foundations)
   - Child Abuse Orientation (done in ED124 Healthy Foundations)
   Details about the requirements can be found in your Field Practice Manual –

3. Blue 2” Binder with Sault College logo and Dividers – this will be used in field placement. Your Field Practice Manual and field minimum requirements will be kept in this binder.

4. Print the following documents and place into the binder (above). These are posted on LMS. Use dividers to identify each section.
   - ECE Field Practice Policies (posted on LMS)
   - ECE Field Practice General Information (posted on LMS)
   - Include another four dividers labelled Semester Two, Time Sheet, Minimum Requirements, and Progress Review

5. Card-stock paper folder - solid colour

TEXTS

ON-LINE DOCUMENTS  Only portions will be used.

V. EVALUATION PROCESSING/GRADING SYSTEM

ASSIGNMENTS .................................................................................................................. 60%

1. Bias Reflection ................................................................. 15%

   You will examine areas of diversity/biases in our contemporary world, along with an opportunity to explore and challenge personal biases. Connections to the CECE Code of Ethics and Standards of Practice will also be made.

   Note: In order to complete the following assignments you must have your Field Practice Requirements cleared by the Field Placement Officer.

2. Observations ................................................................. 25%

   Students will develop their observation skills by recording written observations of children engaged in play. This will be done at the Sault College Child Development Centre (CDC)

3. Reading to Children: Practice ................................. 20%

   This assignment provides students with an opportunity to learn how to select and present developmentally appropriate reading material for young children. This will be done at the CDC.

Notes about Assignments
- You are more than welcome to hand in assignments before the due date. Assignments are to be submitted at the beginning of class. Please check with professor regarding the steps that should be taken if assignment submissions are late.
- There are deductions and final submissions dates which will be discussed in class and posted on LMS.
- All assignments are to be typed unless otherwise stated. All ideas and direct
Evaluation Processing/Grading System continued.....

- quotations must be documented using APA style. Please refer to the section about Academic Dishonesty posted on the Student Portal.
- You are responsible for retaining a file of all drafts and returned assignments. You should keep your computer file of assignments until the end of semester.

**EXPERIENTIAL LEARNING OPPORTUNITIES (IN-CLASS) ..................  20%**

A number of in-class learning experiences will be offered. These experiences are designed to engage you in your learning. You will be expected to come to class prepared to discuss readings, present ideas and, at times, activities. These learning opportunities will also help you to develop professional skills required for the ECE field.

**READING RESPONSES ............................................................... 10%**

You will provide reflections about your assigned reading reflections using the LMS dropbox system.

**QUIZZES ................................................................. 10%**

Short quizzes at the end of each module will be completed on LMS during designated non-class time periods.

- Students must receive a minimum of a “C” (2.0 G.P.A.) in Teaching Method I and Introduction to Early Childhood Education in order to proceed to next semester’s co-requisite courses. Teaching Methods II, Seminar II and Field Practice II.
- Students must submit the required field practice documents to the Field Placement Officer, as outlined in the ECE Field Practice Policy 4.A. If students do not meet this requirement they will not be able to register for Field Practice II and the co-requisite course, Teaching Methods II and Seminar II.
- A minimum of an overall 2.0 Grade Point Average must be maintained to receive a diploma from Sault College.

The following semester grades will be assigned to students:

<table>

An Introduction to Early Childhood Education

VI. SPECIAL NOTES:

ECE Program Guide:
Students are expected to be familiar with and adhere to the policies and practices outlined in the *Early Childhood Education: A Guide to your Program* booklet. This information will be reviewed at the beginning of the semester and will be posted on LMS.

VII. COURSE OUTLINE ADDENDUM:

The provisions contained in the addendum located on the portal and LMS form part of this course outline. Students are expected to adhere to these expectations; therefore they must review the addendum and be familiar with these expectations.
