### VI. SPECIAL NOTES:

#### Attendance:

Sault College is committed to student success. There is a direct correlation between academic performance and class attendance; therefore, for the benefit of all its constituents, all students are encouraged to attend all of their scheduled learning and evaluation sessions. This implies arriving on time and remaining for the duration of the scheduled session.

#### Assignment submission format

All assignment submissions (unless specifically stated by the professor) are to be submitted electronically on the scheduled due date/time through the course LMS drop box. Unless previously negotiated with the professor, assignments submitted through direct email to the professor will not be accepted.

All assignment submissions must be sent in **PDF** format. If the professor is unable to “open” or read the submission, the student will be notified by email and receive a mark of “0” for the assignment.

#### Submission due dates:

The scheduled due date for all assignments/tests are located on the assignment outline and on the LMS calendar. It is the expectation that students refer to the course site on LMS to keep track of assignments due dates and expectations. Students are expected to submit their assignments no later than the scheduled due date and time posted on LMS.
Late submissions:
Late submissions will be accepted for a period of 5 days after the scheduled time/due date. Assignments will not be accepted/graded after 5 days. Late submissions received after the scheduled due date/time will receive a 5% deduction on the overall assignment mark and a further 5% deduction for every day the assignment is late up to a maximum of 25% (5 days).
NOTE: The Late Submission option is not applicable to assignments with Extensions. Late submissions will not be accepted past the last scheduled class for the course.

Requests for Extensions:
Students can request the professor to consider extending the due date based on extenuating circumstances that the student presents. Only extension requests made by email to the professor 24 hours before the scheduled due date and time will be considered. Granting extensions and determining the length of extension is up to the discretion of the professor.

NOTE: Assignments with extended due dates will not be accepted past the last scheduled class for the course. The Late submission policy does not apply to due dates with extensions.

Presentations
Students must notify the professor through a direct email to the professor prior to the presentation date of their absence. The student is encouraged to communicate the circumstances that the student is experiencing that are preventing them from completing the assignment. It will be up to the discretion of the professor if an alternate date/arrangement can be made. Students who fail to notify the professor of their absence prior to the presentation, will receive an automatic mark of “0” for the assignment.

Quizzes/Test
All quizzes will be delivered through the Course LMS ‘Quiz’ featured. The date and time availability of the quiz will be clearly posted and communicated on LMS. It is the student’s responsibility to keep track of dates/times when quizzes and tests are scheduled. It is up to the student to complete the quiz by the closing date and time.
Students must notify the professor through a direct email to the professor 24 hours prior to the scheduled quiz/test if they are unable to complete the quiz. It will be up to the discretion of the professor if an alternate date/arrangement can be made.
Students who fail to notify the professor of their absence prior to the test/quiz will receive an automatic mark of “0” for the test/quiz assignment.

Learning Environment
In the interest of providing an optimal learning environment, students are to follow these expectations;

1. Students are expected to conduct themselves within the class in a professional and respectful manner. Students should be aware that the expectations for their conduct in class are outlined in the "STUDENT CODE OF CONDUCT" found on the Sault College website/Student Services.
2. Students are expected to be prepared for each class by ensuring that they have brought all of the required materials and resources to the class.
3. Light snack foods are permitted in the class during scheduled class, however
students who wish to consume “meals” will be asked to consume their meal in another location outside of the classroom setting.

4. Scent free classrooms are requested by the professor to ensure a safe environment for those who are sensitive to scents.

5. Students are responsible for obtaining course material missed due to class absence.

COURSE OUTLINE ADDENDUM:
The provisions contained in the addendum located on the portal form part of course outline.
