V. EVALUATION PROCESS/GRADING SYSTEM:

Assignments: 75%

An outline of each assignment will be attached to the syllabus distributed to students and posted on (D2L).

NOTE: All assignments must be submitted on the due date at the beginning of the class period unless otherwise specified by the professor. Late submissions will be deducted 5% per day which commences at the end of the class in which the assignment was due. Assignments will only be accepted after the due date for a period of 5 school days. At that point, the student will receive automatic an “0” for the assignment. Students are encouraged to communicate with their instructor if extenuating circumstances exists and request an extension. Granting extensions is up to the discretion of the instructor.

Lab School Field Trip Reflection 10%

Students will visit the Sault College Child Development Centre from 6:00 -8:00 pm. Students will be notified of the scheduled date of this event.

Tests 15%

NOTE: Tests/Quizzes must be completed on the date scheduled. If unable to attend due to illness or extenuating circumstances, contact the professor at least one hour prior to the start of the test. If advance notice is NOT given to the Professor, the student will receive a mark of “0”. It is the student’s responsibility to make an alternative date with the professor that must be scheduled before the next class. Students will be permitted into the class to write the test beyond the start time until the time at which other students have finished the test and left the room. The student will not be given extended time to complete the test. At that point, students will not be able to complete the test and will receive a mark of “0” for the test.

Your instructor reserves the right to modify the course, as he/she deems necessary to meet the needs of students. Dates for projects or tests may be revised depending upon course content/flow.
PLEASE NOTE:

VI. SPECIAL NOTES:

Attendance:
Sault College is committed to student success. There is a direct correlation between academic performance and class attendance; therefore, for the benefit of all its constituents, all students are encouraged to attend all of their scheduled learning and evaluation sessions. This implies arriving on time and remaining for the duration of the scheduled session.
Instructor’s Notes
In the interest of providing an optimal learning environment, students are to follow these expectations;

1. Students are expected to conduct themselves within the class in a professional and respectful manner. Students should be aware that the expectations for their conduct in class are outlined in the "STUDENT CODE OF CONDUCT" found on the Sault College website / Student Services. Students are expected to adhere to the ECE Program “Confidentiality” policy when making references to their experiences in the field practice placement within the classroom discussion.

2. Students are expected to be prepared for each class by ensuring that they have brought all of the required materials and resources to the class.

3. Light snack foods are permitted in the class during scheduled class, however students who wish to consume “meals” will be asked to consume their meal in another location outside of the classroom setting.

4. Scent free classrooms are requested by the professor to ensure a safe environment for those who are sensitive to scents.

5. Students are responsible for obtaining course material missed due to class absence.

VII. COURSE OUTLINE ADDENDUM:

The provisions contained in the addendum located on the portal form part of this course outline.
