Course Outcomes and Learning Objectives:

Course Outcome 1	Learning Objectives for Course Outcome 1
1. Interpret consultation results to determine type of styling design to be performed.	1.1 Choose hairstyle according to facial shape, bone structure of head, as well as prominent and irregular features 1.2 Choose hairstyling method according to length, texture, porosity, elasticity, density and natural growth patterns 1.3 Prepare client for selected hair styling service
Course Outcome 2	**Learning Objectives for Course Outcome 2**
2. Describe the use of the various tools for wet, thermal and dry hairstyling.	2.1 Explain the use and features of the various styling implements, including rollers, pin curl clips, blow dryer, diffuser, curling iron, flat iron, and styling brushes
Course Outcome 3	**Learning Objectives for Course Outcome 3**
3. Define the foundational principals and elements of design.	3.1 Describe the following design elements such as form, line, shape, texture, colour 3.2 Describe each of the following principals of design such as proportion, balance, rhythm, emphasis and harmony
Course Outcome 4	**Learning Objectives for Course Outcome 4**
4. Select and use hair styling products for wet, thermal and dry hairstyling.	4.1 Identify and describe the features of hair styling products for wet, thermal and dry styling 4.2 Select and apply product according to desired result and hair type
Course Outcome 5	**Learning Objectives for Course Outcome 5**
5. Determine and demonstrate base control of tool placement for desired outcome.	5.1 Define the base controls used in hair styling such as on base, off base, half base 5.2 Describe the volume achieved as a result of each base control 5.3 Analyze hair distribution and its effects on the final result of the style 5.4 Explore the various tool positions and placements, and the effects that are created such as spiral, croquinole and barrel curls
Course Outcome 6	**Learning Objectives for Course Outcome 6**
6. Style wet hair using blow dryers, brushes, finger methods, diffuser, hood dryer, rollers, pin curls, braiding and finger waves.	6.1 Perform brushing techniques to style hair, including round brush techniques 6.2 Demonstrate tool and hand and hair manipulation techniques 6.3 Demonstrate pre-drying techniques 6.4 Select and demonstrate setting placement and pattern 6.5 Differentiate the various comb-out techniques 6.6 List the safety practices to ensure client comfort, such as securing pins and rollers 6.7 Demonstrate molding and shaping techniques such as pin curls and finger waves 6.8 Perform a visual inspection to determine drying

In response to public health requirements pertaining to the COVID19 pandemic, course delivery and assessment traditionally delivered in-class, may occur remotely either in whole or in part in the 2021-2022 academic year.
