**Course Evaluation:**

Passing Grade: 50%, D

A minimum program GPA of 2.0 or higher where program specific standards exist is required for graduation.

**Other Course Evaluation & Assessment Requirements:**

To prepare for the spelling quizzes, it is expected that 100 percent of spelling exercises will be completed in the required textbook, College Spelling Skills. For keyboarding skills development, students are expected to complete weekly keyboarding lessons, and for the timed writings students are expected to complete four 3-minute timed writings typed at a minimum speed of 30 net words per minute with 98 percent accuracy.

51+ netWPM = 15/15  
 46-50 netWPM = 12/15  
 41-45 netWPM = 11/15  
 36-40 netWPM = 10/15  
 31-35 netWPM = 9/15  
 30 netWPM = 8/15  
 0-29 netWPM = 0/15

Students should spend the first fifteen minutes of class time completing weekly keyboarding lessons. In addition, students should spend time outside of class completing keyboarding lessons in order to attain a minimum keyboarding speed of 30 netWPM before the end of the semester. Completion of these keyboarding lessons will be monitored weekly. In order to be eligible to complete timed writings, students need to have completed all keyboarding lessons.

Three-minute timed writings will be completed during class time over the final four weeks of the semester. Timed writings must be done during class time, and the average of four timed writings will be used for the final grade.

Failure to type at 30 netWPM with 98 percent accuracy on four 3-minute timed writings administered will result in a grade of 0/15 for keyboarding.
