COURSE OUTLINE: PSY0128 - PHYCH EARLY LEARNING

Prepared: Aaron Zuccato

Approved: Martha Irwin, Chair, Community Services and Interdisciplinary Studies

Course Code: Title	PSY0128: INTRO TO PSYCHOLOGY OF EARLY LEARNING		
Program Number: Name	1120: COMMUNITY INTEGRATN		
Department:	C.I.C.E.		
Semesters/Terms:	21F, 22W		
Course Description:	A study of the science of psychology as it relates to early learning perspectives and best practice: including the topic areas of, 1) psychology as a discipline, 2) historical early learning philosophies, 3) non-Western early learning perspectives, 4) modern early learning perspectives. Psychological learning theories and concepts will be studied with the intent that students in the CICE Program, with the assistance of a Learning Specialist, recognize how these theories are integrated into early learning methods and best practices. Students will have the opportunity to compare and contrast different perspectives on early learning, as well as recognize a variety of theoretical approaches to early learning.		
Total Credits:	3		
Hours/Week:	3		
Total Hours:	45		
Prerequisites:	There are no pre-requisites for this course.		
Corequisites:	There are no co-requisites for this course.		
This course is a pre-requisite for:	CYC0153, ED 089		
Essential Employability Skills (EES) addressed in this course:	 EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience. EES 2 Respond to written, spoken, or visual messages in a manner that ensures effective communication. EES 5 Use a variety of thinking skills to anticipate and solve problems. EES 6 Locate, select, organize, and document information using appropriate technology and information systems. EES 7 Analyze, evaluate, and apply relevant information from a variety of sources. EES 8 Show respect for the diverse opinions, values, belief systems, and contributions of others. EES 9 Interact with others in groups or teams that contribute to effective working relationships and the achievement of goals. EES 10 Manage the use of time and other resources to complete projects. EES 11 Take responsibility for ones own actions, decisions, and consequences. 		
General Education Themes:	Social and Cultural Understanding		

In response to public health requirements pertaining to the COVID19 pandemic, course delivery and assessment traditionally delivered in-class, may occur remotely either in whole or in part in the 2021-2022 academic year.

This will allow the student to match or use visual choice format may be modified by rewording or clarifying implified terms. Multiple choice questions may have a reduced ICE office with assistance from a Learning Specialist. <i>y:</i>
In response to public health requirer		emic. course delivery and assessment traditionally delivered in-class. may occur

In response to public health requirements pertaining to the COVID19 pandemic, course delivery and assessment traditionally delivered in-class, may occur remotely either in whole or in part in the 2021-2022 academic year.

	 Paraphrase the test question without revealing any key words or definitions. Transcribe the student's verbal answer. Test length may be reduced and time allowed to complete test may be increased.
	D. Assignments may be modified in the following ways:
	 Assignments may be modified by reducing the amount of information required while maintaining general concepts. Some assignments may be eliminated depending on the number of assignments required in the particular course.
	The Learning Specialist may:
	 Use a question/answer format instead of essay/research format Propose a reduction in the number of references required for an assignment Assist with groups to ensure that student comprehends his/her role within the group Require an extension on due dates due to the fact that some students may require additional time to process information Formally summarize articles and assigned readings to isolate main points for the student Use questioning techniques and paraphrasing to assist in student comprehension of an assignment
	E. Evaluation:
	Is reflective of modified learning outcomes.
	NOTE: Due to the possibility of documented medical issues, CICE students may require alternate methods of evaluation to be able to acquire and demonstrate the modified learning outcomes
Date:	September 3, 2021
Addendum:	Please refer to the course outline addendum on the Learning Management System for further information.

In response to public health requirements pertaining to the COVID19 pandemic, course delivery and assessment traditionally delivered in-class, may occur remotely either in whole or in part in the 2021-2022 academic year.
