**Assessment Requirements:**

assignments and a final exam. Weighting of each will be as follows:

The student will be expected to prepare and hand in a lesson plan on an assigned air exercise. This lesson plan will be marked for completeness and conformity to the recommended lesson plan layout. This will be worth 10% of the overall mark.

The student will be expected to give a lesson on the assigned air exercise under a simulated circumstance. ie: Preparatory instruction to one or more students within the class. This lesson will be marked by the other students as per the Flight Test Guide. This will be worth 10% of the overall mark.

The student will be expected to mark each other student in the class who is giving an assigned lesson. The marking sheet will be assessed by the instructor for conformity to the Flight Test Guide. This will be worth 10% of the overall mark.

20% for quizzes

50% for the final exam

A minimum mark of 70% (B) is required to pass the course.

Unexcused absences will result in 2% deduction of the final mark for each occurrence, arriving for class late will result in a 1% deduction of the final mark for each occurrence, and violations of the dress code will result in a 1% deduction of the final mark for each occurrence. Refer to the SOP GEN 1.3 for dress code policies and SOP GEN 1.6.7 for policy regarding absence from classes

Quizzes will be given without prior notice.

Students may request a deferment of a test for compassionate reasons. Compassionate Grounds for deferment will include but not be limited to death of an immediate family member, personal illness, or recent diagnosis of a serious illness of a family member. Make-ups will not be permitted after the fact for compassionate reasons.

Although attitude, co-operation, etc., are not graded, students may be terminated based on their performance in this area (see section VI). These attributes are also considered in the selection of the Air Canada Award and other scholarships.

Dates of tests will be announced at least 1 week in advance.

A classroom code of conduct can be found in the SOP General section, and will be adhered to.

**Course Outcomes and Learning Objectives:**

<b>Course Outcome 1</b>	<b>Learning Objectives for Course Outcome 1</b>
Prepare and give Lesson Plans on the preparatory instruction for the air exercises using acceptable instructional techniques.	Have a clear understanding of the technical content of the air exercise. Determine the appropriate extent to which the air exercise should be taught for the level of training. Create a lesson plan in the recommended format Teach the lesson plan using as a practical application of the basic principles of learning and techniques of instruction, as per the flight instructors guide.
<b>Course Outcome 2</b>	<b>Learning Objectives for Course Outcome 2</b>
Assess student performance in relation to the appropriate Transport Canada guidelines.	Have a clear understanding of the minimum requirements for each licence/rating. Have a clear understanding of the flight test standards for each licence/rating. Use the appropriate flight test guide to determine the appropriate assessment for the student performance.
<b>Course Outcome 3</b>	<b>Learning Objectives for Course Outcome 3</b>
Meet the knowledge requirements for the Class IV Flight Instructor Rating. The student will be recommended to write the TC Class IV Flight Instructor Written Exam. (Pending meeting the experience requirements)	Knowledge of the procedures for planning and presenting preparatory ground instruction, pre-flight briefings, in-flight instruction, and post-flight debriefings Review of theory of flight required to teach the air exercises Knowledge of aircraft flight manuals and aircraft operating limits Knowledge of pilot decision-making concepts Know how to use the Transport Canada Flight Instructor Guide, Flight Training Manual, Canadian Aviation Regulations, Part IV and the Flight Test Standards, Private and Commercial Pilot Licences - Aeroplane Category

**Evaluation Process and Grading System:**

<b>Evaluation Type</b>	<b>Evaluation Weight</b>
Final Exam	50%
In-Class Teaching Assignment	10%
Lesson Plan Submission	10%
Marking Sheet Submission	10%
Quizzes	20%
