Course Evaluation:	<p>Passing Grade: 60%, C</p> <p>A minimum program GPA of 2.0 or higher where program specific standards exist is required for graduation.</p>

Other Course Evaluation & Assessment Requirements:

Refer to syllabus for due dates, detailed description of evaluation strategies as well as clinical requirements. Students MUST submit all assignments in order to fulfil requirements for BSCN3094.

Failure to achieve a grade of 60% in the class component or satisfactory in both clinical areas and lab practice hours constitutes a failure in BSCN3094. The philosophical beliefs surrounding praxis preclude students from repeating parts of Nursing Praxis and Professional Caring courses. Therefore, a failure in ANY component will require that the student repeat ALL areas of the course. There are no exceptions to this policy.
