

COURSE OUTLINE: ED 288 - QUALITY ASSURANCE

Prepared: Dominique Lachapelle, B.A. RECE.

Approved: Karen Hudson, Dean, Community Services and Interdisciplinary Studies

Course Code: Title	ED 288: QUAL ASSURANCE IN EARLY CHILD. SETTINGS
Program Number: Name	1030: EARLY CHILDHOOD ED
Department:	EARLY CHILDHOOD EDUCATION
Academic Year:	2024-2025
Course Description:	An examination of current issues, social and governmental policies, advocacy, professional standards and the administrator's role will provide students with an understanding of the importance of quality in Early Childhood settings. Throughout this exploration, students will be challenged to develop their own philosophy of early childhood education by gaining an insight into the relationship between quality and the evolution of early childhood education.
Total Credits:	3
Hours/Week:	3
Total Hours:	42
Prerequisites:	There are no pre-requisites for this course.
Corequisites:	There are no co-requisites for this course.
Substitutes:	OEL1346
Vocational Learning Outcomes (VLO's) addressed in this course:	1030 - EARLY CHILDHOOD ED
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 1 Create learning contexts to enable, build and maintain caring, responsive relationships in partnerships with children, families and communities that value and respect social, cultural and linguistic diversity including Indigenous peoples' worldviews and Francophone identity.
	VLO 3 Co-design and maintain inclusive early learning environments to value and support equitable, accessible and meaningful learning opportunities for all children, their families and communities in a range of early years and child care settings.
	VLO 6 Use professional communication in interactions with children, families, colleagues, employers, the regulatory body, government authorities and children's service agencies to meet legal and ethical standards of the early years sector.
	VLO 7 Act in accordance with relevant legislation, regulations, College of Early Childhood Educators Code of Ethics and Standards of Practice, agency policies and procedures and principles of evidence-informed practice and reflect upon their impact on one's own role in early years and child care settings.
	VLO 8 Identify, report and document when a child is in a situation of perceived risk for, or actual neglect or abuse, in accordance with legislation, the College of Early Childhood Educators Code of Ethics and Standards of Practice, policies and procedures.
	VLO 9 Create and engage in partnerships with families, communities, colleagues, interdisciplinary professionals, authorities and child service agencies to advocate for quality early years and child care programs and services.

	VLO 10 Engage in reflective practice and continuous professional learning in accordance with principles of lifelong learning, evidence-informed practices in the early years sector and requirements of the College of Early Childhood Educators.
