

COURSE OUTLINE: OPA209 - DOCUMENTATION SKILLS

Prepared: Joanna MacDougall/Andrea Sicoli Approved: Bob Chapman, Dean, Health

Course Code: Title	OPA209: DOCUMENTATION SKILLS FOR OTA/PTA				
Program Number: Name	3022: OCCUP/PHYSIO/ASSIST				
Department:	OTA/PTA ASSISTANT				
Academic Year:	2024-2025				
Course Description:	The purpose of this course is to prepare the student for the documentation responsibilities of the OTA/PTA. It will prepare them for their fieldwork experiences by providing them with the necessary skills to read and comprehend medical records and to document appropriately in medical charts/files, both in written format and electronically. Documentation practice takes place in the classroom and during fieldwork experiences.				
Total Credits:	2				
Hours/Week:	2				
Total Hours:	30				
Prerequisites:	CMM115, OPA110, OPA115, OPA118				
Corequisites:	There are no co-requisites for this course.				
Vocational Learning Outcomes (VLO's) addressed in this course: Please refer to program web page for a complete listing of program outcomes where applicable.	 3022 - OCCUP/PHYSIO/ASSIST VLO 1 Communicate appropriately and effectively, through verbal, nonverbal, written and electronic means, with clients, their significant others, occupational therapists, physiotherapists, and members of the interdisciplinary health care team and others. VLO 2 Participate in the effective functioning of interdisciplinary health care teams to optimize client physical and occupational functions. VLO 5 Practice in a legal, ethical, and professional manner within the role of a therapist assistant. VLO 6 Document client records in a thorough, objective, accurate, and timely manner within the role of the therapist assistant. VLO 8 Perform the roles and responsibilities of the therapist assistant effectively through the application of relevant knowledge of health sciences, psychosocial sciences, health conditions, resource management, and clinical procedures. 				
Essential Employability Skills (EES) addressed in this course:	EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience. EES 2 Respond to written, spoken, or visual messages in a manner that ensures effective communication. EES 6 Locate, select, organize, and document information using appropriate technology and information systems. EES 7 Analyze, evaluate, and apply relevant information from a variety of sources. EES 10 Manage the use of time and other resources to complete projects.
