Approved: Bob Chapman, Dean, Health

<b>Course Code: Title</b>	OPA211: PROFESSIONAL TOPICS IN REHABILITATION
<b>Program Number: Name</b>	3022: OCCUP/PHYSIO/ASSIST
<b>Department:</b>	OTA/PTA ASSISTANT
<b>Academic Year:</b>	2024-2025
<b>Course Description:</b>	The purpose of this course is to enhance awareness and development of professionalism to prepare for competent entry into the field of rehabilitation. The course reviews professional topics within the context of past and present fieldwork experiences. The students will be expected to provide evidence and demonstrate professional behaviours such as dependability, accountability, initiative and organization. Professional issues such as the scope of practice, the use of title (OTA/PTA) and the role of the professional colleges and associations will be reviewed. In addition, the student will demonstrate and reflect on the importance of ethical standards and how individual and professional ethics impact professional behaviours and clinical reasoning skills. Resources and skills required for successful entry into the workplace will be explored, including effective cover letter and resume writing and interviewing skills.
