Vocational Learning Outcomes (VLO's) addressed in this course:	1065 - CHILD AND YOUTH CARE
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 1 Develop and maintain therapeutic relationships with children, youth and their families, respecting their unique life spaces, and applying the principles of relational practice to meet their needs
	VLO 2 Assess the strengths, developmental and holistic needs of children, youth and their families, using methods grounded in theoretical frameworks, research and therapeutic practices, to develop care and intervention plans.
	VLO 3 Develop and implement care and intervention plans appropriate for the therapeutic milieu using evidence-informed practices and research to provide support for children, youth, and their families.
	VLO 4 Use equitable and inclusive approaches that are anti-colonial, anti-oppressive, anti-racist, and strength-based frameworks, as well as cultural humility, to create positive and sustainable solutions and respond to inequities and to systemic barriers experienced by children, youth and their families.
	VLO 6 Employ communication, collaboration and relational skills with the inter-professional team and with community partners to ensure and enhance the professionalism of practice.
	VLO 7 Engage in self-inquiry, relational inquiry and critical reflection to develop strategies

for learning and the practice of self-care, as a practitioner.

- VLO 9 Adhere to relevant legislation and Child and Youth Care standards of practice, competencies, and codes of ethics as a practitioner.
- VLO 10 Practice in a variety of contexts and settings, respecting needs for developmental growth, safety, wellbeing and agency, while addressing the varying age and developmental ranges of children, youth, and their families.
- VLO 11 Employ crisis prevention and intervention techniques, and harm-reduction principles, with children, youth and their families in the provision of care, to ensure their safety, resolution of crises, and reparation of relationships.
- VLO 12 Develop the capacity to work with children, youth and families who identify with Indigenous, Black, and racialized communities, as well as people in LGBTQ2+ and disabled communities, by identifying systemic inequities and barriers, integrating practices such as trauma-informed care, and respecting their inherent rights to self-determine.
