

I. COURSE DESCRIPTION:

Child and Youth Care Methods I is an introductory course to the field of Child and Youth Care and to Community Practicum. Students will achieve a beginning familiarity with the body of knowledge, skills, and attitudes that are uniquely those of the competent Child and Youth Care practitioner. Child and Youth Care is an established profession with its own history. It operates within a Code of Ethics and has both provincial (Ontario Association of Child and Youth Counsellors – OACYC,) and national (Canadian Association of Child and Youth Counsellors – CYCC) associations.

Along with the above, in this course, we will explore three central themes: the child at risk; the environment or settings that serve the child; and the Child and Youth Care practitioner as an agent of therapeutic change. This course will also prepare students for fieldwork experiences in educational settings. We introduce the skills and issues concerning observation, reporting, policies and ethics, and confidentiality.

II. LEARNING OUTCOMES AND ELEMENTS OF THE PERFORMANCE:

Upon successful completion of this course, the student will demonstrate the ability to:

- 1. Understand the principles of relationships with children, youth and their families, relational practice and respecting their unique life space, and cultural and human diversity. (Drawn from CYC Vocational Outcome #1)**

Potential Elements of the Performance

V. EVALUATION PROCESS/GRADING SYSTEM.

The class will be taught through a combination of lectures, presentations and group discussion. The format will vary according to material being presented.

a) SKILL DEVELOPMENT 10%

The Skill Development mark (10%) is related to the student's ability to prepare for class discussions and case work. The format and assessment of this will be discussed in class and posted on D2L.

Children and youth at risk require reliable and dependable adults in their lives and these qualities are expected to be demonstrated in class.

b) ASSIGNMENTS 40%

Students are to complete assignments, readings, and /research on time, and be prepared to discuss this material in class. The format and assessment of the activities will be discuss in class and posted on D2L. **NOTE:** All assignments must be submitted on the due date at the beginning of the class period unless otherwise specified by the professor. Late submissions will be deducted 1% per day of your overall course mark, which commences at the beginning of the class in which the assignment was due. Assignments will only be accepted after the due date for a period of 7 days (one week). At that point, the student will receive an automatic "0" for the assignment. Students are

encouraged to communicate with their instructor if extenuating circumstances exists and request an extension. Granting extensions is up to the discretion of the instructor.

**** All students MUST submit all assignments through the Dropbox on D2L. Assignments not submitted in this fashion will not be accepted and the students will be directed to resubmit their assignment through the proper channels. It is the student’s responsibility to be familiar with and utilize D2L for all college communication and submissions with and for the professor. Should a student experience problems the IT department at Sault College is available to assist them.**

c.) TESTS 40%.

Tests will be written as scheduled on material covered in class and assigned readings. Tests must be completed on the date scheduled. If unable to attend due to illness or extenuating circumstances, contact the professor at least one hour prior to the start of the test. If advance notice is NOT given to the Professor, the student will receive a mark of “0”. It is the student’s responsibility to make an alternative date with the professor that must be scheduled before the next class.

d.) DUTY TO REPORT WORKSHOP AND TESTS 10%
